Report on

Workshop on Windows-10 OS

**Name of Event:** Workshop on Windows-10 OS

**Date of Event:** 29/05/2017 to 30/05/2017

**Event Coordinator:** Prof. Vishakha Gupta & Prof. Rajesh Babu

**Introduction:**

Department of Computer Sciences and Engineering organized two days workshop on “Windows-10 OS” under Institution of Engineers (India) chapter. This workshop was specially designed for non teaching staff members to update their computer knowledge.

**Aim:**

All non teaching staff members will be able to get knowledge of how to work using Windows-10 operating system. This workshop covers hands on training on different module of Windows OS.

**Event Details:**

Prof. Rajesh Babu, Assistant Professor conducted the session and explained about the basic usage of the Windows OS. The modules covered in this workshop are installation of Windows OS, working with different modules and create application.

**Outcomes:**

1. Update the knowledge.
2. Awareness of tools and techniques ,
4. Hands on sessions using Windows OS.

**Conclusion**

The Course provided in-depth knowledge about windows OS and their application part.

Session 2017-18

Date: 03-06-2017

**Report on****Two Day Workshop on "Awareness of Linux Operating System"****Name of Event:** Two Day Workshop on "Awareness of Linux Operating System"**Date of Event:** 01-06-2017 to 02-06-2017**Event Coordinator:** Prof. Vishal Tiwari and Prof. Vijay Bagdi**Introduction:**

Department of Computer Sciences and Engineering organized two days workshop on **Awareness of Linux Operating System** under ISTE (Indian Society for Technical Education) banner. This workshop is organized for the employees for learning Linux which is Open Source Operating System, free to use and One of the main advantages of Linux is it is highly secure, easy to maintenance data.

**Aim:** The aim of conducting this workshop is to learn:

- Working knowledge of Linux
- Navigate through major Linux distributions
- System configurations and graphical interface of Linux
- Basic Linux command line operation
- Most common applications of Linux

**Objective:** The main objective of conducting this workshop is to Teach Basics of Linux Operating System, learn how to perform basic Linux operations as well as administrative and security-related tasks.

**Event Details:**

- The two days workshop on Linux Operating System was organized by Prof. Vishal Tiwari and Prof. Vijay Bagdi of Computer Science & Engineering Department, TGPCET, Nagpur. The workshop begins with introduction to Linux Operating System, compare Linux with another major operating system like Windows. The best assets of Linux when compared with other operating systems are its reliability, price, and the freedom it provides you. They also explained about the major advantages of Linux OS.

Tulsiramji Gaikwad-Patil College of Engineering and Technology

Wardha Road, Nagpur-441 108

### Department of Computer Science & Engineering

- Prof. Vishal Tiwari and Prof. Vijay Bagdi discussed that, over the years, Linux has gained a reputation as a very efficient and fast-performing system. Its features will tell how effective this operating system is. They explore the major features of the Linux OS, some of the Linux commands and how you can use them. Practical session is conducted by teaching how to install Linux operating system. After downloading the Linux system on computer, all the new things that we are able to do with this operating system is explained.

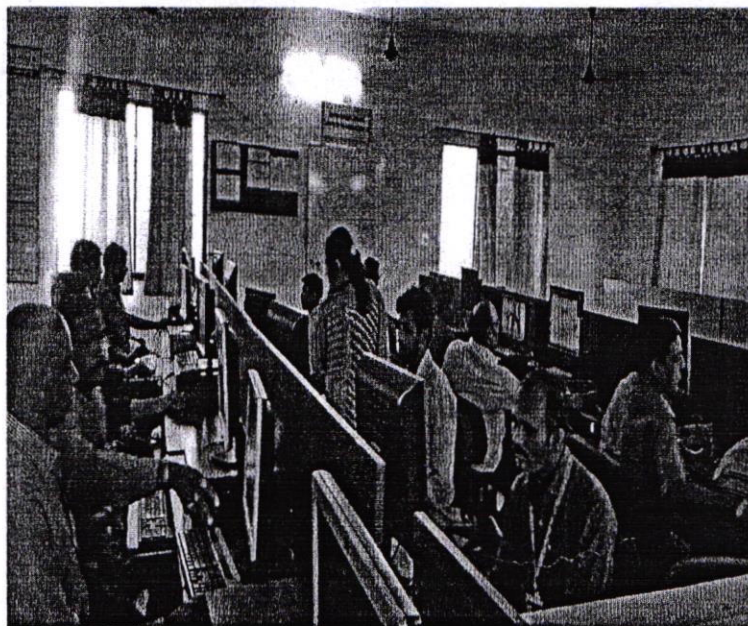

#### Outcomes:

- By learning Linux it becomes more effective at work.

#### Conclusion:

The workshop helps the non teaching staff of college to understand the fundamentals of the Linux operating system and how to apply that knowledge in a practical and useful manner.

Report on

**Two Days Workshop on Yoga & Meditation****Introduction:-**

Report on Workshop of Yoga and Meditation A few minutes of Yoga during the day can be a great way to get rid of stress that accumulates daily-in both the body and mind. Yoga postures, Pranayama and meditation are effective techniques to release stress. Meditation is Relaxation which gives calm mind, good concentration and Rejuvenation of the body and mind etc. Particularly for a working woman, Yoga is a great remedy to remove her tensions which definitely affects her health because she has to nurture the home, fulfill a demanding career, take care of the family, handle household work; she has to play multi roles with her skills. Yoga help working woman by giving her emotional strength so that she can easily manage all pressures and can give her best intellectual abilities. In view of this, WDC of GRIET has conducted a one week workshop on Yoga and Meditation (12-9-2016 to 17-9-2016) for women faculty. The Yoga Guru and Trainer Ms. Priti have taken classes with high level of dedication. They have also explained remedies for personal health problems to the participants with lot of patience

The Yoga, Breathwork and Meditation Workshop included some of the following:

Indepth practice of Classical Hatha Sun Salutation – Surya Namaskarasana:

The first section of the Yoga Meditation Workshop opened in easy seated posture, with a very meditative start, which lasted approximately 5 minutes. This aided to relax the body and mind in preparation for the Yoga routine. The second section focused on The Sun Salutation, and as the warm morning sunshine shone through the windows, it truly was a Salutation to the Sun. We began by gently opening our bodies, and focusing on the slow flowing movements between each posture, learning the fuller meaning of each posture, building deep, mindful awareness of the Flowing Yoga. It also is a fantastic and very easy method of detoxifying the body within a short period of time, as the toxins within the body are drawn out through the skin within the body sweat built up within the dynamic routine.

**Task Covered by the expert:-**

Yoga Asana – Poses:

For the Remaining 35 minutes of the Yoga class we focused on a section of seated Yoga Postures. Each student could easily see how the previous Sun Salutation routine had really open their bodies, making it much easier for them to go deeper into each seated posture. It never stops surprising how successful the Sun Salutation is at doing this.

### Department of Information Technology

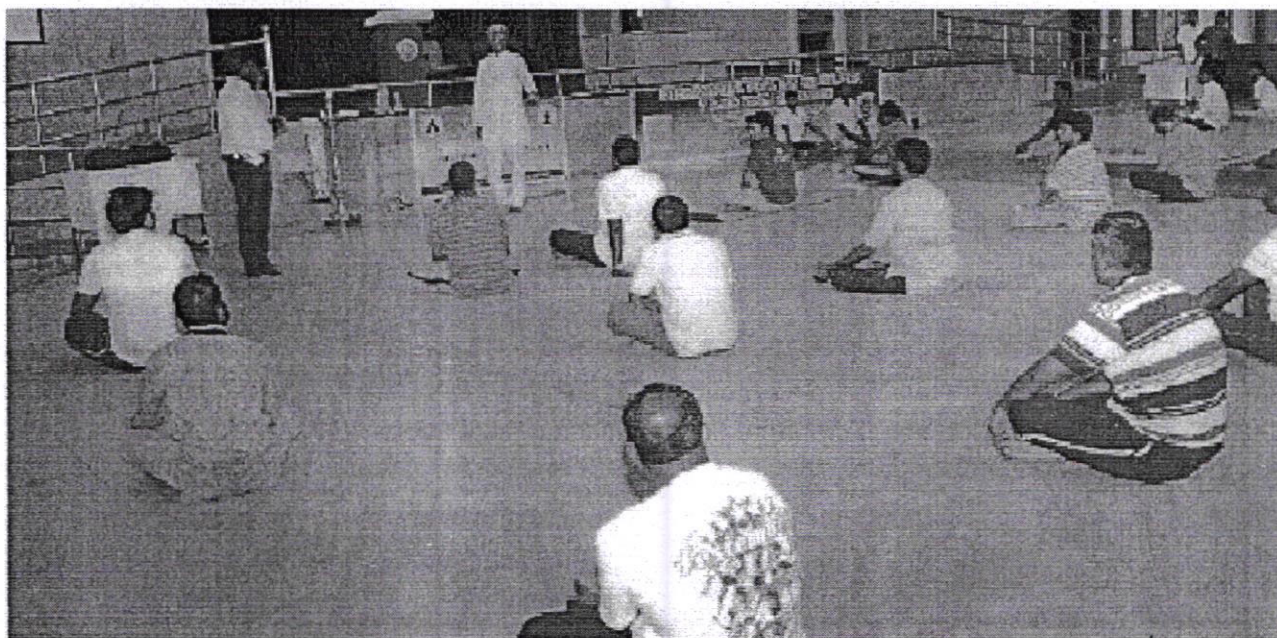

#### Guided Relaxation:

After such an invigorating and physical workout it was then time to take the students into a deep guided relaxation. This is such an important part of the yoga system, easily neglected within a standard Yoga class. Music is a wonderful tool for any Yoga Teacher to take advantage of within a class, and a Guided Relaxation sequence is a very simple way of bringing an effective form of Stress management to many students.

#### Moving Meditation:

After a short break we began the Moving Meditation section of the Workshop. This section was closely tied to the Fusion Yoga Meditation Technique I Teach. It uses very simple, slow movements, all done in an Easy Seated pose, and the aim is to keep the Body as still as is physically possible, moving only any given part of the body that you are instructed to move, in a given amount.

Session:- 2017-18

Date:- 04/09/2017

**Report on****One day workshop on Intensive Spoken English Grammar**

**Aim:-** Exposing the participants to important words, phrases and sentences in English to help in their day-to-day communication

**Introduction about the Workshop Theme:-** As a part of the continuous initiative to enhance English communication skills, IT Department of TGPCET organized a One day Activity on Spoken English for interested administrative and support staff on 02/09/2017. The workshop was free of cost and certificates were provided to all the regularly attending participants. The activity aimed at exposing the participants to important words, phrases and sentences in English to help in their day-to-day communication with students, teachers, parents and other stakeholders. It was organized under the able guidance of Prof. Anup Gade (HoD Information Technology) Mr. Sudhir Gowardhan was the faculty-in-charge for the activity. It was conducted in Seminar Hall B-108 at TGPCET. from 01:00 pm to 04:00 pm and thirty five participants registered for the same. Day one focussed on ice-breaking sessions and self-introduction. Suggestions were given to introduce themselves effectively and uniquely. It was facilitated by Dr. G. K. Awari Principal TGPCET. On day the participants got to know each other a little better. Prof Gowardhan started the sessions by forming pairs, quickly getting to know one's partner and introducing him/her to others. This helped the participants to learn the necessary vocabulary and phrases in order to describe anything.. The last session of the classes dealt with Common Spoken English Mistakes conducted by Prof. Abhilasha Lohokare. She clarified several doubts expressed by the participants. The sessions in the activity comprised of several related activities and exercises. The facilitators actively engaged the participants in speaking activities. We observed a noticeable change in the participants' spoken english levels. The participants expressed that they were more confident and comfortable to speak in English post- Spoken English classes.

## Report on WORKSHOP ON DAILY DISCIPLINE

**Date: 10<sup>th</sup> September 2017**

Department of Electronics & Communication Engineering organizing a workshop on "Daily Discipline" for Non- Teaching staff on 10<sup>th</sup> September 2017.

**Aim:** The main goals and of discipline is the difference between being in control of your future and letting your environment dictate your destiny.

**Objective:** The discipline helps to train a person's mind and character, building a sense of self-control and the practice of obedience.

### **Introduction:**

Department of Electronics & Communication Engineering under IE(I) has Conducted Workshop on Daily Discipline. In this workshop it gives basic knowledge of discipline is a cooperative effort by members of a team to achieve a common goal. Daily Discipline occurs when a group of people with complementary personal strengths commit to achieve certain focused performance results.

1. Loyalty to the College by punctual and reliable in all duties.
2. Creating and maintaining with strong relationships with:
  - a. Proper interactions with students.
  - b. Maintaining professional boundaries with students and staffs.
3. Responsibility by meeting the required standards for every assigned task.
4. He / she must respect and maintain the hierarchy in the Administration.
5. He /she should adhere strictly to the official resumption/ closing time and must dress decently and appropriately.

### **The following PO's have been accomplished:**

This Workshop helps the Teaching Staff to learns about

1. Ethics.
2. Individual and Team Work.
3. Life-long Learnig

**Dated: 11-10-2017****Session 2017-18****Report on****One Day Training on Computer Awareness****Name of Event:** Training on Computer Awareness**Date of Event:** 09 October 2017**Event Coordinator:** Prof. Amey Khedikar**Introduction:**

Department of Civil Engineering organised “One Day Training on Computer Awareness” under I(EI) (Institution of Engineer’s (India)) banner. This training will explore the knowledge of Computer Awareness. This training was conducted for one day. All Non-Teaching staff of college was participated in the workshop.

**Aim:**

The goal of conducting training is to aware employees about Computer Technology to the maximum number of employees.

**Objectives:**

- To have the knowledge of basic computing concepts
- To specify what types of programs the participant will be learning to use.
- To prepare employees to use a computer both on the job and in personal life.
- To enable the employees to master basic skills on which to build future computer knowledge and expertise.

---

**Department of Civil Engineering**

---

**Event details:**

Prof. Amey Khedikar, of Civil Engineering Department, TGPCET, Nagpur conducted the session and explains about Computer prophecies the course included the experiential nature of the training, combined with adult learning methods, ensures an exciting and memorable event. Participants leave the event with an integrated set of skills, knowledge, and plan to renew the ideas of the Computer Technology and learn the skill of new applications.

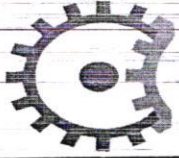

**Outcomes:**

- Staff will attain an ability to apply knowledge of computing and mathematics appropriate to the discipline.
- Staff will attain an ability to analyze a problem, and identify and define the computing requirements appropriate to its solution.
- Staff will attain an ability to design, implement, and evaluate a computer-based system, process, component, or program to meet desired needs.
- Staff will attain an ability to function effectively on teams to accomplish a common goal.
- Staff will attain an understanding of professional, ethical, legal, security and social issues and responsibilities.

**Conclusion:**

The Course provides the knowledge of Computer's new technologies and various applications which in use in our Daily life. It creates awareness in the staff about the Calculation parts & Microsoft office Application, like useful and easy it is to handle.

### Report

**Professional Development Program:** "Workshop on Work Ethics" from 17/02/18-18/02/18

**Introduction:** The department of Mechanical Engineering has organized a "Workshop on Work Ethics" from 17/02/18-18/02/18. Mr.M.K.Shane (Officer, KEC International Buttibori) was the Keynote speaker for the workshop.

**Aim:** To understand the concept of Work Ethics

**Objective:** 1) To aware the participants about Work Ethics  
2) To know about scope of Work Ethics

**Lecture Details:**

Mr.M.K.Shane (Officer, KEC International Buttibori) explained in this session about Work Ethics.

**Outcomes of FDP:** Outcome of this workshop is analyzed by the feedback forms based on few questions and answered by Participants.. On the basis of feedback form it is observed that participants understood the concept of Work Ethics

**Conclusion:** The workshop is started with opening remark of head of the department, Mechanical Engineering and Presidential speech was given by the principal, TGPCET, The vote of thanks proposed by Program Coordinator.

**Acknowledgement:** On the behalf of Mechanical Engineering Department we sincerely thank Mr.M.K.Shane (Officer, KEC International Buttibori ) for accepting our invitation and delivering an informative knowledge on Hospitality, Professionalism & Sense of Responsibility

## **Two Days Workshop on Electrical Safety**

**Name of Event:** Two Days Workshop on Electrical Safety

**Date of Event:** 4 July 2017 – 5 July 2017

**Event Co-ordinator:** 1. Prof. Nikita Malwar

2. Prof. Chetan Jambhulkar

**Introduction:** Department of Electrical Engineering has to organize Two day workshop on Electrical Safety under IEI (Institutions of Engineers India) banner. This Workshop was to explore the knowledge about the electrical safety rules. This Workshop was conducted for three days. All Non-teaching Staff of the college was participated in this workshop.

**Aim:** The goal of conducting workshop is to encourage the employees about rules of Electrical Safety.

### **Objective:**

1. To acquaint the participants with the basic knowledge about Electrical Safety Rules.
2. To appraise the participant about the ongoing work in this and to facilitate mutual cooperation for knowledge sharing.

### **Event Description:**

Prof. Nikita Malwar and Prof. Chetan Jambhulkar of Tulsiramji Gaikwad Patil College of Engineering and Technology, Nagpur conducted the Two days session about Rules of Electrical Safety. The workshop includes different Rules related to Electrical Safety. The Practical Session was conducted on different activities to learn different mechanisms.

### Outcomes:

1. It is observed by the coordinator that the participants were taking more interest and attending the lecture with more concentration.
2. Participants curiously see the every slide, learnt the Electrical Safety.
3. The participants were clearing their doubts by asking the questions to experts and the session was becoming more interactive.

### Conclusion:

The workshop on Electrical Safety concluded with vote of thanks by HoD of Electrical Engineering Department. Mementos were also given to the resource persons. One of the faculty members proposed a special thanks to various experts & Organizing Committees for smooth conduct and huge success of workshop at TGPCET, Nagpur. This workshop was nicely and successfully managed by active faculty members of the department.

## **Report of Two Days Workshop on Electrical Safety**

**Date of Activity:** 08.01.2018 to 09.01.2018

**Event Co-ordinator(s):**

1. Prof. Ganesh Wakte ( 9767230527)
2. Prof. Ashwini Admane (8888066913)

**Aim:** To conduct a “Two Days Workshop on Electrical Safety”

**Objective:**

1. To give the non-teaching staff understanding of the Electrical Safety
2. To impart the non-teaching staff knowledge of the Safety norms in Electrical Maintenance.

**Event Description:**

The co-ordinator(s) of the Workshop conducted the session on the Electrical Safety for the non-teaching staff members of the college. The workshop included the various aspects of the Electrical Safety such as earthing of the premises, over-voltage protection, usage of the boosters etc.

**Outcome:**

1. The participants had gained the deeper insights in the Electrical safety.
2. The participants learnt about the best practices of the Electrical Maintenance.
3. The participant got to know the different aspects of the Electrical Safety.

**Conclusions:**

The workshop concluded by the concluding remarks of the Head of the Department. One of the member from the participants expressed the vote of thanks. Also participants were highly motivated by the workshop, and they expressed their willingness to obey the safety rules for the better usage of the Electrical Appliances.

### Department of Master of Business Administration

#### Event details:

Dr. Akil Sheikh, of TGPCET, Nagpur conducted the session and explain about Personal Time Management Skills are essential for professional success in any workplace. Those able to successfully implement time management strategies are able to control their workload rather than spend each day in a frenzy activity reacting to crisis after crisis - stress declines and personal productivity soars! These highly effective individuals are able to focus on the tasks with the greatest impact to them and their organization.

#### Outcomes:

- If you want to rise through the ranks, you have to acknowledge the importance of finding a way to manage this limited resource.
- When you learn to take control of your time, you improve your ability to focus.
- When the time comes to examine options and make a decision, instead of rushing through the process, you can take time to carefully consider each option.

#### Conclusion:

Time management is a very important skill to be learned and to be mastered in order to have a better lifestyle. By managing well time, you will no longer suffer from stress and your works/tasks will be done on time and with great quality. Remember that it is important to have the attitude to change your schedules and to change procrastination. Also, take into account all of the explained strategies that are very helpful to achieve a better time management. It is important to add, that sports also provide a helpful hand for time management, and also permit your body to be healthy and to have a better social circle.
