## Akash Incubation Centre

### Minutes of the Meeting

**Date:** 06 November 2024

**Time:** 3:00 PM

**Venue:** Conference Room, Building-1, TGPCET

#### Agendas:

1. Reviewing progress reports from incubated teams.
2. Addressing resource and guidance gaps identified during progress reviews.
3. Planning for an annual performance review of the incubation centre.

#### Discussion Points

1. **Progress Reports from Incubated Teams**
  - o All 5 teams submitted their first quarterly progress reports.
  - o Significant progress was observed in 3 teams, while the remaining 2 teams highlighted challenges in technical execution and resource access.
  - o Concerns regarding project scalability were discussed.
2. **Resource and Guidance Gaps**
  - o Teams reported a need for technical mentorship in advanced domains, including AI and IoT.
  - o Lack of advanced prototyping tools remains a bottleneck for several teams.
  - o Members proposed arranging specialized workshops to address technical challenges.
3. **Annual Performance Review of the Incubation Centre**
  - o Members agreed to conduct an annual review meeting in December 2024 to assess the overall impact of the incubation centre.
  - o The review would focus on team progress, outcomes achieved, and areas for improvement.

#### Decisions Taken

1. Provide additional technical mentors to support teams in AI and IoT domains by 15 November 2024.
2. Procure identified tools and equipment before the end of November to support prototyping needs.
3. Draft a comprehensive evaluation report for the annual review, with inputs from all members, by 10 December 2024.
4. Organize follow-up meetings with underperforming teams to address their challenges and set clear milestones.

**The meeting concluded at 4:30 PM with a vote of thanks by Prof. Anup Bagade.**

#### Minutes of the Meeting

**Date:** 18 June 2024

**Time:** 3:00 PM

**Venue:** Conference Room, Building-1, TGPCET

#### Agendas:

1. Review of student team progress.
2. Addressing concerns related to the verification process for shortlisted teams.
3. Discussion on criteria refinement for future screenings.

#### Discussion Points

1. **Student Team Progress**
  - Progress reports from the shortlisted 8 teams were reviewed.
  - Most teams have shown preliminary work but lack substantial progress due to limited guidance and resources.
  - A need for structured monitoring and mentorship was highlighted.
2. **Verification Process Concerns**
  - Issues were raised regarding the authenticity of project claims by some student teams.
  - It was decided to conduct a detailed verification of project deliverables by involving subject experts from respective departments.
3. **Criteria Refinement for Future Screenings**
  - Members proposed enhancing the screening process by introducing additional evaluation stages, including technical presentations and progress reviews.
  - A checklist for ensuring project feasibility and innovation was discussed and would be finalized by July 2024.

#### Decisions Taken

1. Conduct a verification exercise for all shortlisted teams by 15 July 2024.
2. Appoint faculty advisors from respective departments to monitor team progress.
3. Develop a refined evaluation rubric for future screenings, with input from all members, by 31 July 2024.
4. Organize a follow-up meeting to review the outcomes of the verification process in August 2024.
