REPORT ON: COMPETITIVE EXAM GUIDANCE PROGRAM

VISION:

- To emerge as a learning Center of Excellence in the National Ethos in domains of Science, Technology and Management.

MISSION:

- To strive for rearing standard and stature of the students by practicing high standards of professional ethics, transparency and accountability.
- To provide facilities and services to meet the challenges of industry and society.
- To facilitate socially responsive research, innovation and entrepreneurship.
- To ascertain holistic development of the students and staff members by inculcating knowledge and profession as work practices.

VISION AND MISSION OF TRAINING AND

PLACEMENT CELL:

VISION:

- Equipping the students with relevant and conceptualized professional skills and guiding them towards a bright future and career all around the world with the values of – sincerity, hard work and Justice.

MISSION:

- To partner and collaborate with industries, government, NGOs and R&D institutes for generating newer opportunities for all stakeholders of the Institution.
- To impart career development skills to students that will make them succeed and lead.
- To instill in students the attitude, values, and vision that will prepare them to lead a life of personal integrity and civic responsibility.

PROGRAM NOTICE:

Greetings from Tulsiramji Gaikwad-Patil College of Engineering & Technology, Nagpur. The Proposed program is on the occasion of science week and will signify the usage of science in day to day life.

Chief Guest: Mr. Shilsagar Chahande

Venue: JRD TATA HALL, TGPCET

Date: 04th October 2022

OBJECTIVE:

1. To aware students about job opportunities in government sector.
2. To aware students about MPSC, UPSC exam processes.
3. To understand the basic structures of civil service exams.
4. To understand the benefits of government jobs.

GLIMPSES OF COMPETITIVE EXAM GUIDANCE PROGRAM:

Glimpses of 04th October 2022 successfully executed COMPETITIVE EXAM GUIDANCE PROGRAM.

ABOUT DRIVE:

The program started at 10:00 Am at JRD TATA HALL, TULSIRAMJI GAIKWAD PATIL COLLEGE OF ENGINEERING AND TECHNOLOGY, NAGPUR Training and Placement Department of TULSIRAMJI GAIKWAD PATIL COLLEGE OF ENGINEERING AND TECHNOLOGY, NAGPUR in collaboration with Mavericks had organized COMPETITIVE EXAM GUIDANCE PROGRAM.. Students from all branches participated in the program. The event began with a interaction with Mr. MANMATH DESHPANDE and with his enthusiastic and energetic approach he encouraged students. Great Efforts were put by the Dean, Training and Placement, Prof. Vidhyadhar Kshirsagar and entire team of Training and Placement under the able guidance of the Prof. Sandeep Gaikwad-Patil sir, Treasurer GPGI, Prof. Pragati Patil Ma'am, Vice Principal, TGPCET, Prof. Dr. Anil Kale, Principal, TGPCET that not only resulted in students actively started to participate in competitive exams. 76 students participated and benefitted from this program.

PROGRAM OUTCOME:

Engineering Knowledge (PO1): Apply the knowledge of mathematics, science,

TULSIRAMJI GAIKWAD-PATIL COLLEGE OF ENGINEERING AND TECHNOLOGY

Wardha Road, Nagpur - 441108

Accredited with NAAC A+ Grade

Approved by AICTE, New Delhi, Govt. of Maharashtra

(An Autonomous Institute Affiliated to RTM Nagpur University, Nagpur)

engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.

Problem Analysis (PO2): Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.

Conduct investigations of complex problems (PO4): Use research based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.

Ethics (PO8): They affect how people make decisions and lead their lives. Ethics is concerned with what is good for individuals and society and is also described as moral philosophy.

Individual and team work (PO9): Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings. Everyone is unique and can provide a different perspective to look at the problem.

Communication (PO10): Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write Effective reports and design documentation, make effective presentations, and give and receive clear instructions.

Project management and finance (PO11): Demonstrate knowledge and understanding of the Engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.

Life-long learning (PO12): Recognize the need for, and have the preparation and ability to engage in Independent and life-long learning in the broadest context of technological change.

EXPECTED OUTCOME ACHIEVED:

- Nurture & Motivate the students to grow more cautious about their career.
- Students considering government services as good career option.

Number of Candidates Appeared in this paper:	45833		

Valid up to 31st March 2026

Prof. Preetamkumar M. Mohite
Organizing Chairman, GATE 2023
on behalf of NCB-GATE, for MoE

45717055d27ba0f354c02fc09fd903aa

* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

General Information

The GATE 2023 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2023 scorecard

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

In the GATE 2023 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2023 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2023 was organized by Indian Institute of Technology Kanpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

 **Subject:- Invitation as a expert lecture on Career in Salesforce Technology**

Respected Sir,

TULSIRAMJI GAIKWAD PATIL College of Engineering & Technology is always striving hard for academic excellence. In this regard, on behalf of TGPCET and Department of Information Technology, Under the ISTE event, I request you to please accept our invitation as a expert faculty on “**Career in Salesforce Technology**” which schedule on 22/05/2022. This would enable our students to gain knowledge from your expertise and experience. It would be a matter of great pleasure for us, if you could take some time from your busy schedule for our institution.

Anticipating a favorable reply from your end.
Thanking You

Report On "Guest lecture on Carrier in Salesforce"

Date:- 22-05-2023

Introduction:

The Department of Information Technology under IEI has organized a guest lecture on "Carrier in Salesforce" in presence of Response Person or speaker Mr. Suraj Ghodmare, software developer, Pwc pvt. Ltd. , Carrier in Bangalor.

Aim:

Make the students aware about Carrier in Salesforce .

Objective:

The main objectives of the lecture were to student's audiences with the learn concept of Carrier in Salesforce technology such as variable flow control and discover how to work with lists and sequence data.

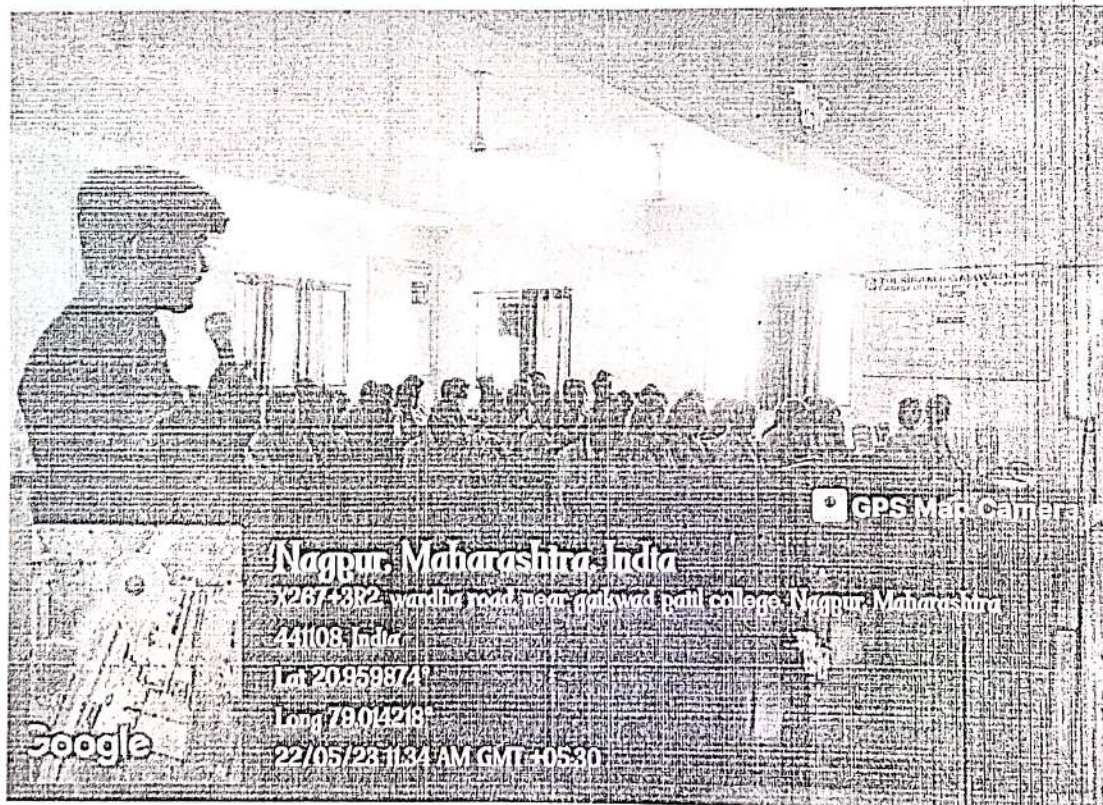

Introduction:

Cloud CRM (or CRM cloud) means any customer relationship management (CRM) technology where the CRM software, CRM tools and the organization's customer data resides in the cloud and is delivered to end-users via the Internet. Cloud CRM typically offers access to the application via web-based tools (or web browser) logins where the CRM system administrator has previously defined access levels across the organization. It provides users with mobile apps to make it easier to use the CRM on smart phones and tablets.

Mr. Suraj Ghodmare, the guest speaker, elucidated about the basic concept of Cloud Computing and Cloud CRM. The tool which is commonly used now days is "Carrier in SALESFORCE". Sir told that Salesforce typically works for metadata. Sir provided a complete demonstration of how to create an account on Salesforce and how to use its various features. Effective utilization of this technology helps a business grow into a more streamlined, effective and efficient organization across sales, service, marketing and more.

The speaker addressed queries of the students wonderfully. This session made the students learn a lot about the recent trends in the IT Industry during interaction with the speaker and they were also made aware of job opportunities in Cloud CRM technology.

Report

Programme: - Career Guidance Seminar on the topics of “Possibilities of Education Abroad”

Introduction: - It's a dream of many students to pursue higher education abroad, especially in the US, Canada, Australia, UK, Ireland, and Germany. Studying abroad can be an exciting opportunity for students who want to explore new cultures, gain a unique educational experience, and expand their career prospects.

Aim: - To open doors to international education and career prospects

Objectives:-

1. To provide students with insights and guidance about pursuing higher education and career opportunities abroad.
2. To provide guidance and assistance for the students to achieve their career goals.
3. To create awareness among students regarding available career options and help them in identifying their career objectives.
4. To help students build the skills and gain the knowledge needed to excel in a particular career

This seminar covers everything students need to know about studying abroad, including the admission process, exams, visa requirements, funding options, scholarships and the various universities, courses, and programs available in countries such as the USA, Canada, the UK, Australia, New Zealand, and more. Studying abroad offers many benefits for personal and professional growth, such as gaining new perspectives, expanding language skills, and building a global network of contacts. It also provides opportunities to explore different cultures, learn new skills, and pursue unique academic programs.

Higher Education Cell

Higher Education Cell of TGPCET, Nagpur has organized Career Guidance Seminar on the topics of “Possibilities of Education Abroad” for the Pre Final and Final Year students of the Institute on 04/11/2023 at JRD TATA Hall. Expert for the program was Dr. Shabih Lodhi, Director-Operations Dr. Shabih Lodhi, KS Global Eduvisor. The program began with the traditional lamp lighting ceremony, symbolizing the dispelling of darkness and the emergence of knowledge.

This auspicious ritual was conducted by our principal, Dr. P. L. Naktode, Dr. Shabih Lodhi and other dignitaries present at the event. Following the lamp lighting, our principal, Hon. Dr. P. L. Naktode, delivered an inspiring opening remark, setting the context for the seminar. He emphasized that the students must focus on the Higher education and should become an entrepreneur.

Dr. Shabih Lodhi (Expert) delivered an enlightening and inspiring seminar, highlighting various aspects of Higher Educational Opportunities available abroad. Also she emphasized on admission process, exams, visa requirements, funding options, scholarships and the various universities, courses, and programs available in countries such as the USA, Canada, the UK, Australia, New Zealand, and more. Studying abroad offers many benefits for personal and professional growth, such as gaining new perspectives, expanding language skills, and building a global network of contacts. It also provides opportunities to explore different cultures, learn new skills, and pursue unique academic programs. More than 150 students were present for the seminar.

The program was anchored by Prof. Dipali Bhoir (Mech. Dept) and Vote of thanks proposed by Mr. Vishwjeet Ambade (Coordinator, Higher Education Cell)

Outcome:-

At the end of the program students are able to understand the higher education and career opportunities abroad and to learn about the benefits and challenges of studying abroad. With proper guidance and preparation, students can overcome the barriers of admission, visa, and funding to achieve their dream of studying abroad.

Session 2022-23

Civil Engineering Department

Date: 02nd March, 2023

Report

Guest Lecture: Career Guidance in Civil Engineering Softwares

Introduction:

Department of Civil Engineering under ARTEX Forum in association with IE(I), ISTE, ICI and IWWA have organized a Guest Lecture on the topic "Career Guidance in Civil Engineering Softwares" by Ms. Anjali Khote and Ms. Priyanka Kawale, Software Trainer & Design Engineer, Astral Informatics (P) Ltd. Nagpur.

Aim: To understand the applications and usage of Civil Engineering softwares.

Objective:

1. To make the students aware of Recent Technologies/Softwares in Civil Engineering design.
2. To inspire engineering students about career building as Design Engineers.
3. To make the students aware about industry demand of Design engineers in Civil Engineering.

Lecture Details:

Ms. Priyanka Kawale (Alumni of the Dept. 2016 Batch) & Ms. Anjali Khote, Software Trainer & Design Engineer along with Mr. Omesh Athar from Astral Informatics (P) Ltd. Nagpur, guided the students regarding application & usage of softwares like Revit, E-Tabs, Primavera, Navisworks-3D etc. in the field of Civil Engineering. They also shared some of their 3D design works done for Nagpur & Pune Metro. Total 69 students were present.

Mapping of Lecture with PO:

This guest lecture helps students to learn about

1. Engineering knowledge.
2. Problem Analysis.
3. Modern Tool Usage.
4. Individual and team work.
5. Project Management and Finance.
6. Lifelong Learning.

Outcome of Lecture:

On the basis of feedback, it is observed that students understood the applications and usage of Civil Engineering softwares in the industry.

Conclusion:

The program started with opening remark of the HoD, Civil Engineering. The vote of thanks was proposed by Prof. Divyani Harpal, Program Coordinator.

Acknowledgement:

On the behalf of Civil Engineering department, we sincerely thank Astral Informatics (P) Ltd. Nagpur, their trainers and engineers Ms. Priyanka Kawale, Ms. Anjali Khote and Mr. Omesh Athar for sharing their knowledge of industry requirements and motivating the students to pursue their career in Civil Engineering design softwares.

Guest Lecture Report

Guest Lecture by Dr. Sanjeev Patankar on Opportunities in Biotechnology

Introduction: The Department of Biotechnology had the privilege of hosting a guest lecture by Dr. Sanjeev Patankar, the National Coordinator of the Microbiologists Society of India (MSI). Dr. Patankar's vast experience and expertise in the field of microbiology made him an ideal guest speaker for the event.

Details: The guest lecture aimed to provide students and faculty members with valuable insights into the field of microbiology and the initiatives undertaken by the Microbiologists Society of India. Dr. Patankar's presentation covered a wide range of topics, including the advancements and challenges in microbiology, career opportunities in the field, and the various initiatives and programs run by the society.

During the lecture, Dr. Patankar emphasized the importance of microbiology in various sectors, such as healthcare, agriculture, and environmental sciences. He shared his experiences and highlighted the groundbreaking research being conducted in the field, inspiring students to explore and contribute to the exciting world of microbiology.

POs Achieved: PO1, PO2, PO4, PO6, PO7, PO12

Outcomes: The guest lecture yielded several outcomes, including:

- Enhanced understanding of the significance of microbiology in diverse areas of life.
- Awareness of the latest advancements and research trends in the field.
- Insights into the career opportunities available in microbiology.
- Exposure to the initiatives and programs offered by the Microbiologists Society of India.

Conclusion: The guest lecture by Dr. Sanjeev Patankar proved to be an enlightening and enriching experience for the attendees. The lecture not only expanded their knowledge of microbiology but also provided valuable guidance for their future endeavors in the field. Dr. Patankar's expertise and engaging presentation style captivated the audience, leaving a lasting impression on their minds.

Acknowledgment: We extend our sincere gratitude to Dr. Sanjeev Patankar for his invaluable contribution in delivering an insightful and thought-provoking guest lecture. We also acknowledge the efforts of the Microbiologists Society of India for their continuous support in promoting knowledge and awareness in the field of microbiology. We Extend our thanks to president of the event, Prof. Pragati Patil, Vice Principal. The event was attended by HOD

Session 2022-23

"GUEST LECTURE"

Name of Event: "How to prepare for higher studies"

Date of Event: 26 November 2022

Event Coordinator: Prof. Khushbu Wase

Table of Contents:

1. Aim of Program
2. Objective of Program
3. Introduction of Program
4. Program Educational Objectives Attained
5. Program Outcomes (POs) Attained
6. Conclusion
7. Glimpses of Workshop
8. Feedback

1. Aim of Program:

Higher education is a rich cultural and scientific asset which enables personal development and promotes economic, technological and social change. It promotes the exchange of knowledge, research and innovation and equips students with the skills needed to meet ever changing labour markets .

2. Objective of Program:

- Establish long-term objectives In Tips to Prepare for Higher Education.
- Perform Extensive Research.
- Examine your English language proficiency In Tips to Prepare for Higher Education.
- Seek Advice.
- Cultivate soft skills.

Tulsiramji Gaikwad-Patil College of Engineering and Technology

Wardha Road, Nagpur-441 108

Approved by AICTE, New Delhi, Govt. of Maharashtra &

Affiliated to RTM Nagpur University, Nagpur

Department of Computer Science & Engineering

3. Introduction of Program:

It is said that you should start the process of researching and planning when you are in the 9th Grade. This is the perfect time to think and make a decision regarding your higher education, understand the education system of foreign countries, work hard for improving your grades (if they are not sufficient), indulge yourself in extracurricular and co-curricular activities for your overall growth and development, etc.

Once you get into grade 11, start preparing for the tests such as IELTS, TOEFL, SAT, GRE, GMAT, etc. Also, start writing the SOP, i.e Statement of Purpose, where you will state the reason for choosing the respective university of that country. SOPs consume a lot of time as students need to incorporate many persuasive techniques so that the university gets convinced and moves the admissions process further.

Here are some steps that you need to follow to get admitted to your preferred university:

Exploring, Deciding, and Planning - The initial step of any individual is to make a decision. But, before making any decision it is important to conduct proper research and explore to get a good amount of information regarding the university you want to enroll with. After conducting research and filtering out the universities, make a decision and select at least 5 universities. Then, start planning for the preparation.

Preparing for the tests - Once you have a clear understanding of which university you want to choose, then you should start preparing for the tests. Tests such as IELTS, TOEFL, SAT, GRE, GMAT, etc are more significant and required for the admission process for the overseas universities.

Focusing on your current academic record - The main reason you should decide early which university you want to apply for your higher education is so that you can focus on improving your current grades which will benefit you in the long run for the admission process.

Looking for guidance - An experienced person will always provide you with some insights on the techniques of preparation and help you in guiding the international education system.

Filling out the application form correctly and accurately - If any tampering is found in the application form, you won't be able to apply for admission to the same university. So, it's better to recheck your application form more than once to ensure that all information is accurate.

Checking and applying for Financial Aids - Many universities provide scholarships that can help to reduce your financial burden. So, do look for such scholarships or financial aid.

In conclusion, decide and choose the university during your high school days and start preparing for the tests while working on the documentation of 11th - 12th grades. If you want to get accepted into your dream University, we at **TNI Career Counseling** are always ready to guide you.

4. Program Educational Objectives Attained:

PEO3: Apply emerging technology by communicating effectively as a team.

Tulsiramji Gaikwad-Patil College of Engineering and Technology

Wardha Road, Nagpur-441 108

Approved by AICTE, New Delhi, Govt. of Maharashtra &
Affiliated to RTM Nagpur University, Nagpur

Department of Computer Science & Engineering

PEO5: Adopt emerging technology and advance in career for fulfilling the societal needs by lifelong learning.

5. Program Outcomes (POs) Attained:

- PO1. Engineering Knowledge
- PO5. Modern tool usage
- PO9. Individual and team work
- PO12. Lifelong learning

6. Conclusion:

In this guest lecture students are understand the importance of higher studies that how will implements in their future . The conclusion serves to unify the entire paper, pulling together the ideas contained in it and pointing out their larger significance. When writing a conclusion, consider what you have written thus far, about the substance of each section, and summarize what it all means.

7. Glimpses of Workshop:
