1. INTRODUCTION

1.1 Preamble:

Vidarbha Bahu-uddeshiya Shikshan Sanstha's **Tulsiramji Gaikwad-Patil College of Engineering and Technology, Nagpur (TGPCET)** is one of the upcoming most promising institutes in the region of Vidarbha for Quality & Professional education. Since 2007, TGPCET has been imparting value added quality education to satisfy the needs and expectations of the Stakeholders like Students, Parents, Industry, etc. Focused efforts are made to achieve this, by providing state-of-the-art Engineering and Management education to Students. TGPCET has student centric academic system to ensure holistic development. Every possible opportunity is provided to the student to progress academically and excel. Journey of a student in this institute has always involved comprehensive knowledge building through practical skills, technical knowledge and personality development through Elegance-the finishing school, which gives them a head start in their career. The entire working is based on an indigenously designed Institute development philosophy profoundly known as four pillars of TGPCET namely, Academic Excellence, Professional Competence, Social Commitment and Out of the Box Thinking. In order to provide global platform to Students and Faculty members, one more vertical is added in our working model in the form of International Relations for Academic and Research exchange with SEGi University, Malaysia. Internal Quality Assurance Cell (IQAC) is well established to look after quality aspect in day-to-day functioning of the Institute. To give industry exposure to the students the institute has more than 40 MoU with in around industries. The institute has MSME approved incubation center for which the MSME has sanctioned Rs. 1 Cr. Stringent Academic Monitoring and Control has led towards Qualitative Results and Placements, thereby becoming the most opted Institute for admissions by engineering aspirants in and around Nagpur and the entire region of Vidarbha. The institute is accredited by National Assessment and Accreditation and Council (NAAC) with A+ Grade and recently University Grants Commission (UGC) has confronted Autonomous to the institute for ten years from session 2021-22.

This booklet gives comprehensive information on the Rules and Regulations for Master of Business Administration (MBA) Programme. Entire MBA Programme will be governed by these Rules and

Autonomy Rules and Regulations

Regulations. The various departments are given a direction to excel in academics through these Rules and Regulations approved by the Academic Council from time to time, keeping in view the ever-growing challenges and new developments. The stakeholders particularly the students, and parents/guardians, are advised to be fully familiar with the Academic System of the Institute. Students should be aware of the Rules and Regulations governing Academic requirements, Evaluation and Assessment policy, and Grading System. These rules maybe revised to ensure the optimized learning experience of students to meet the global needs of the Industry. These revisions are recommended as per the directives of UGC, AICTE.

It is expected that this booklet would bring transparency in the functioning of the Institute related to Academics, Examinations and Evaluation amongst Students, Faculty Members, Administrators, Parents and other Stakeholders.

The curriculum provides broad knowledge, builds a thorough, professional, life long process of learning and exploring. At undergraduate level, a student needs to do compulsory foundation courses in the areas of basic sciences, humanities, social sciences and engineering apart from departmental requirements. Departmental courses (core and electives) constitute minimum 50% of the total curriculum. Further, students have to undertake electives including interdisciplinary ones to develop broad specialized and inter-disciplinary knowledge. At the PG level, students are encouraged to look beyond their area of specialization to broaden their horizons through a wide variety of courses and electives.

The Institute follows a Choice Base Credit System (CBCS) semester system for its academic programmes with English as the medium of instruction. An academic year runs from July through June next year and is comprised of two semesters and one supplementary / summer term. Typically, the Odd Semester starts in July and ends in December; the Even Semester starts in January and ends in June. The commencement of first semester for MBA shall be governed by admission schedule declared by DTE, Government of Maharashtra/ ARA. There are four semesters having total 102 Credits for Master of Business Administration Programme (MBA). The MBA programme shall be governed by Rules and Regulations provided in this version of 'Rules and Regulations for Academic, Examinations and Evaluation'. Evaluation norms shall be strictly followed to maintain quality of management education.

Autonomy Rules and Regulations

Examination system shall be transparent and governed by Rules and Regulations. All amendments shall be applicable from date of amendment. The Rules and Regulations formulated in this document shall be subjected to revisions / refinement / updates / modifications through the approval by the Academic Council from time to time, and shall be binding on all concerned Stakeholders, including the Students, Faculty, Staff, Departments, and Administrators.

	(xxxxii)	“TGPCET” shall mean Tulsiramji Gaikwad-Patil College of Engineering and Technology, Nagpur
	(xxxxiii)	“VP” shall mean Vice-Principal of the institute.
	(xxxxiv)	“DA” shall mean Dean Academics of the institute
	(xxxxv)	“RRMC” shall mean Result Review and Moderation Committee
	(xxxxvi)	“ARA” shall mean Admission Regulatory Authority
Nomenclature		
Academic Council	(i)	Highest academic body of the Institute and is responsible for the maintenance of standards of instruction, education and examination within the Institute. Academic Council is an authority as per the AICTE / UGC regulations and has the right to

**Autonomy Rules and Regulations**

		take decisions on all academic matters including academic research.
Academic Plan	(ii)	A document defining the course contents and complete details of plan of delivery of the course viz. Course title, Course code, Pre-requisite, Credit structure, Team of instructors, Course objectives, Course outcomes, Mapping of course outcomes and programmes outcomes, relevant syllabus, textbook(s) and reference books, Course session plan and delivery plan, evaluation method, course notices and other course related aspects.
Academic Year	(iii)	A period that is necessary to complete courses of study. It consists of two consecutive (one odd + one even) semesters.
Admission Procedure	(iv)	As prescribed by the DTE MS, ARA and Govt. of Maharashtra
Audit Course	(v)	A course of study which has neither evaluation component nor a grade.
Autonomous Institute	(vi)	An Institute designated as 'Autonomous' by University Grants Commission (UGC), New Delhi in concurrence with the affiliating University i.e., Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur and Govt. of Maharashtra.
Backlog Course	(vii)	A course is considered to be a backlog course if the student has obtained a Fail (F) grade.
Basic Science Courses	(viii)	Courses of foundational nature in the areas of Mathematics, Physics, Chemistry, Biology etc.
Betterment	(ix)	Betterment is a way that contributes towards improvement of the students' grade in any course(s). It can be done by either (a) re-appearing or (b) re-registering for the course.
Board of Studies	(x)	An authority, as defined in UGC regulations, constituted by the Principal for each of the department separately. The board is

**Autonomy Rules and Regulations**

		responsible for curriculum design and update in respect of all the programmes offered by a department.
Branch	(xi)	A discipline or specialization of a degree programme like Civil Engineering, Mechanical Engineering etc.
Certificate Course	(xii)	A course that makes a student gain hands-on expertise and skills required for holistic development. It is a mandatory, non-credited course for the award of degree.
Choice Based Credit System (CBCS)	(xiii)	A system which provides choice for students to select from the prescribed courses.
Compulsory Course	(xiv)	Course required to be undertaken for the award of the degree as per the programme.
Continuous Internal Evaluation (CIE) Course	(xv)	Summative assessments used to evaluate student learning, acquired skills, and academic attainment during a course. A course offered for learning in a particular semester by the Institute. These could be theory / laboratory / project work / miniproject / internship etc. and may comprise of lectures / tutorials / practicals / assignments / examination / viva-voce etc. All the courses need not carry the same weightage. A course is defined through course objectives and course outcomes.
Course Outcomes (CO)	(xvi)	Statements describing essential skills that each and every student need to acquire at the end of a course. They can be from 3 to 5 for all the courses.
Course Registration	(xvii)	Process of enrolling into a set of courses in a semester of the programme.
Credit	(xviii)	A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one lecture hour of teaching (lecture or tutorial) and one credit is equivalent to one and half hours of practical / field-

**Autonomy Rules and Regulations**

		work per week.
Credit Based Semester System (CBSS)	(xix)	A system which prescribes the number of credits to be secured by the student for the requirement of award of degree.
Credit Point	(xx)	A product of grade point and number of credits for a course.
Credit Transfer	(xxi)	The procedure of granting credit(s) to a student for course(s) undertaken online through MOOC.
Cumulative Grade Point Average (CGPA)	(xxii)	A measure of overall cumulative performance of a student over all semesters. It is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places.
Curriculum	(xxiii)	Curriculum incorporates all the courses that are offered in a specific discipline. It also indicates the planned interaction of students with instructional content, materials and resources.
Degree	(xxiv)	A student who fulfills all the programme requirements is eligible to receive a degree.
Department	(xxv)	An academic entity that conducts relevant curricular and co-curricular activities, involving both teaching and non-teaching staff and other resources.
Detention	(xxvi)	Student who does not secure minimum required attendance in AGGREGATE shall be detained OR Student who does not secure minimum credits required for promotion from one year to the next shall be detained.
Dropping of Courses	(xxvii)	A student who doesn't want to register certain courses should do so in writing in a prescribed format within the time frame as mentioned in these regulations.
Engineering Science Courses	(xxviii)	Courses belonging to the basic evolutionary aspects of engineering from Mechanical Engineering, Electrical

**Autonomy Rules and Regulations**

		Engineering, Computer Science and Engineering etc. like Workshop Practices, Engineering Graphics, Engineering Drawing, Programming through C, Basics of Electrical Energy for Engineers, Engineering Mechanics, etc.
Evaluation	(xxix)	Evaluation is the process of judging the academic work done by the student in his / her courses. It is done through a combination of continuous internal evaluation and semester end examinations
Grade Point	(xxx)	A numerical weight allotted to each letter grade on a 10-point scale.
Grade Sheet	(xxxi)	Based on the grades earned, a grade sheet shall be issued to all the registered students after every semester. The grade sheet shall display the course details (Course code, Course title, number of credits, grade secured) along with SGPA of that semester and CGPA earned till that semester.
Humanities & Social Sciences Courses	(xxxii)	Courses offered in the area of humanities and liberal arts.
Industrial Visit	(xxxiii)	Visit to a company / firm as per the academic requirement.
Industry Oriented Mini-Project	(xxxiv)	A credit-based course that a student has to undergo during a specified semester involving exploration in a discipline belonging to their research interest within their programme of study.
Institute	(xxxv)	TGPCET
Internship	(xxxvi)	A period of training / work experience offered by an industry / research organization / academic institution for a limited period of time as specified in these regulations.
Laboratory based Course Projects	(xxxvii)	A student-centric learning methodology wherein students work as individuals or in teams in a laboratory for design, problem-solving, decision making, and investigative activities.

**Autonomy Rules and Regulations**

Letter Grade	(xxxviii)	An index of the performance of students in a said course. Grades are denoted by letters O, A+, A, B+, B, C, F, AB.
Mandatory Courses	(xxxix)	Compulsory non-credit courses that a student need to study as prescribed in the programme.
Massive Open Online Courses (MOOC)	(xxxx)	Open access online courses aimed at providing ways to learn new skills.
Open Elective Courses	(xxxxi)	Courses of interdisciplinary nature offered to all the students of various programmes across the Institute.
Outcome Based Education	(xxxxii)	An educational theory wherein each part of an educational system is based around goals (outcomes). Each student should have achieved the goal by the end of the educational experience.
Overloading	(xxxxiii)	Registering for more number of credits than normally prescribed by the programme in a semester.
Pre-requisite	(xxxxiv)	A course whose knowledge is required for registration into higher level course.
Professional Core Courses	(xxxxv)	Courses that are fundamental constituents of the respective engineering discipline.
Professional Elective Courses	(xxxxvi)	Courses those are discipline-specific.
Programme	(xxxxvii)	A set of courses offered by the department leading to the award of degree in that programme.
Programme Outcomes (PO)	(xxxxviii)	Statements describing the essential skill sets that each and every student need to possess at the time of graduation. These skill sets based on the graduate attributes as defined by the National Board of Accreditation (NBA) are in the areas of employability, entrepreneurial, social and behavioral aspects. They are 12 in number for a specific programme and are subjected to modification from time to time as defined by the NBA.

Autonomy Rules and Regulations

Programme Specific Outcomes (PSO)	(xxxxix)	Statements that describe what the graduates of a specific programme should be able to do. They can be 3 to 5 in number for a specific programme.
Project	(xxxxx)	A credit-based course that a student has to undergo, as prescribed in the programme, which involves the student to undertake a research or design that is carefully planned to achieve a particular aim.
Re-appearing	(xxxxxi)	A student can reappear only in the supplementary semester end examination for the external component of a course, subject to the exam registration and the regulations contained herein.
Regulations	(xxxxxii)	The rules and regulations contained herein that are common to all the MBA programme offered by the Institute and designated as “TGPCET MBA R21 CBCS Regulations”
Re-registering	(xxxxxiii)	A student desiring to repeat a course is permitted to do so, subject to the regulations contained herein.
Semester	(xxxxxiv)	Each semester shall consist of 12-16 weeks of academic work excluding examination and evaluation.
End Semester Examination	(xxxxxv)	An examination conducted at the end of a course of study i.e., after the completion of instruction in a semester.
Semester Grade Point Average	(xxxxxvi)	A measure of performance of work done in a semester. It is ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
Substitute Courses	(xxxxxvii)	A course that is offered in place of another course that is already studied by the student and is repeated in the semester of study.
Underloading	(xxxxxviii)	Registering for lesser number of credits than normally prescribed by the programme in a semester.

**Autonomy Rules and Regulations**

University	(xxxxxix)	Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur
Virtual Laboratories	(xxxxxxx)	Web enabled experiments for remote operation so as to increase the curiosity and innovation of students and provide hands-on experience.
Ordinance	(1)	The Institute shall offer PG programme (MBA) as the GB / University / Government may approve on the recommendation of the Academic Council either on its own or on the initiative of a Department and / or on the direction of the GB / Government. Provided that an interdisciplinary programme may be proposed by a Department or by a committee appointed by the Principal for the consideration of the Academic Council and the GB / Government.
	(2)	The procedure for starting a new programme / temporarily suspending a programme / phasing out a programme shall be as per the guidelines laid down by the competent authority.
	(3)	The minimum qualifications and procedure for admission to the first year PG programmes.
	(4)	A student shall be required to earn minimum credits through various academic courses of a curriculum as provided in the regulations and scheme.
	(5)	The award of the PG degree to an eligible candidate shall be made in accordance with the procedure laid down in the regulations. A student shall have to complete all the requirements for the award of the degree within such period as may be specified in the regulations, including those credits earned at such other institutions as have been recognized by the Institute for this purpose.
	(6)	The date of initial registration for the programme shall normally

Autonomy Rules and Regulations

		be the date, on which the student formally registers i.e. takes final admission for the first time. This date shall be considered as the date of joining the programme for all intents and purposes.
	(7)	A student shall be required to attend every lecture, tutorial and practical class. However, for late registration, sickness or other such exigencies, absence may be allowed as provided in the regulations.
	(8)	A student may be granted such scholarship / assistantship / stipend, etc. and awarded medals as may be specified in the regulations or in accordance with the directions of the Government and / or the decision of the Board from time to time. The overall topper(s) amongst all branches shall not be declared however on the basis of CGPA branch toppers may be declared as per norms.
	(9)	The procedure for the withdrawal from a PG programme, rejoining the programme, award of grades and SGPA / CGPA, the examination and all such matters as may be connected with the running of PG programmes shall be as specified in the regulations.
	(10)	A student admitted to the PG programme shall abide by the code of conduct for students issued by the Institute from time to time. This code of conduct shall deal with the discipline of the students in the hostels, departments, the Institute premises and outside. It may also deal with such other matters as are considered necessary for the general conduct of the students, co-curricular and extra-curricular activities. It shall be approved by the Academic Council on the recommendations of the Head of the Department / Student Council.

Autonomy Rules and Regulations

	(11)	The minimum duration of PG programmes shall be of two years (Organized in 4 semesters of six months each including vacation period).
	(12)	The tuition fees structure will be governed by the rules and regulations as prescribed by the competent authority / Fees Regulatory Authority (FRA).
	(13)	The fees other than the tuition fees will be governed by the rules and regulations framed and recommended by the Finance Committee and duly approved by the GB.
	(14)	Notwithstanding anything contained in the above Ordinances, no regulations shall be made in contradiction of the decision of the Board and /or the direction of the Government, in regard to the duration of the PG programme, the amount and number of scholarship/assistantships and the number of free ships and the procedure thereof.

3. CHOICE BASED CREDIT SYSTEM (CBCS)

3.1 About CBCS:

- a. The University Grants Commission, New Delhi in its 12th plan guidelines directed the Universities in the country to implement the Choice Based Credit System (CBCS Scheme) in both the under-graduate and post-graduate programs.
- b. To set Benchmark and fulfill expectations of stakeholders.
- c. Shift in focus from teacher-centric to learner-centric education.
- d. Respects Learner's Autonomy, allows learners to choose according to their own learning needs, interests and aptitudes.
- e. Affords more flexibility to the learners allowing them to choose inter-disciplinary courses, programs, earn honors degree, etc.

Autonomy Rules and Regulations

- f. Facilitates Learner Mobility. It offers the opportunity to study at different times and in different places. Credits earned at one institution can be transferred to another.
- e. A student can exercise the option to decide his/her own pace of learning. Learn to face challenges through term work/project work/ and may venture out to acquire extra knowledge/proficiency through add- on facilities.

3.2 Credit System:

- a. The primary purpose of the credit system is continuous evaluation of student's performance which is measured by the number of credits the students has earned. Typically, credit measures the quantum of work involved in a course.
- b. Credit structures for various courses with various combinations of theory/tutorial and Laboratory/Project/Seminar/Mini Project hours are given in Table 3.1.
- c. A student can earn credits for a particular course by fulfilling the minimum academic requirements of attendance, assessment and evaluation. No credits shall be awarded if a student satisfies the minimum attendance requirements but fails to meet minimum assessment & evaluation requirements.

Table 3.1 Credits assigned for various types of courses

Hours per semester for students engagement			Credits Assigned
Theory	Tutorial / Seminar	Laboratory / Project	
10*	0	0	1
0	10*	0	1
0	0	10*	1
Total Credits = Theory hours + Tutorial hours + Laboratory hours			

*The values will be multiplied by 2 for Summer Terms.

- d. The CGPA & SGPA is calculated based on the course credits and grades obtained by students. A minimum number of earned credits and minimum CGPA should be acquired in order to qualify for the degree.

Autonomy Rules and Regulations

3.3 Academic Calendar:

Dean Academics (DA) is responsible to prepare academic calendar of the institute

Minimum Instructional Days	90 days
Odd Term	July to December
Even Term	January to June
Winter Exam	November-December
Summer Exam	May-June
Summer Vacation	June
Winter Vacation	December

4. PROGRAMMES OFFERED

TGPCET Nagpur offers academic programmes namely engineering at UG and PG levels, MBA, and, MCA. In post graduate programmes, students are admitted after they have obtained Bachelor's degree. Admission to all these programmes are based on the eligibility criteria laid down by the competent authority.

4.1 Post Graduate Programme in Management Studies:**A. Master of Business Administration (MBA):**

Table 4.1 List of PG Programmes (Engineering & Technology) offered by the institution

Autonomy Rules and Regulations

5. ELIGIBILITY CRITERIA FOR SEEKING ADMISSION

5.1 Post Graduate MBA Programme:

The admission to MBA programs will be offered to

- a. The candidate who possesses a Bachelor's Degree in any stream from educational institutions approved by AICTE / UGC / Government of India.
- b. Obtained non zero score in CET conducted by the Competent Authority (MAH-MBA / MMS-CET / CMAT / CAT 2021).
- c. A student should have obtained the eligibility certificate from the RTMNU if he has passed the qualifying examination from other than RTMNU.
- d. The admissions will be done as per existing rules of DTE, ARA, and Govt. of Maharashtra.

5.2 For institute level quota, college will follow the steps as given below:

- a. Float advertisement in leading news paper, social media and also post on college web portal asking for application form eligible candidate for admission to 1st year MBA.
- b. The applications received before due date will be scrutinize and a merit list will be generated
- c. The candidates will be called on merit basis and confirm their admission by paying requisite fees.
- d. Eligibility criteria will be as per the DTE, Govt. of Maharashtra, ARA, time to time.

6. MEDIUM OF INSTRUCTION

The medium of instruction shall be English for all the courses including their content delivery and examinations, seminars, presentations and project evaluation as prescribed in the programme curriculum. As per the New Education Policy (NEP) changes may be applicable with the approval of GB / AC in regards of use of regional languages.

Autonomy Rules and Regulations

7. MBA PROGRAMME STRUCTURE

The structure of the MBA Programmes on offer at the institute are based on the Choice Based Credit System (CBCS) as defined by the UGC and the curriculum / course structure as suggested by the AICTE in its Model Curriculum.

7.1 Semester Scheme

- a. The MBA programmes offered at the institute follow semester scheme pattern.
- b. The duration of a MBA programme shall be of 2 academic years.
- c. Each academic year shall have 2 semesters i.e., odd and even semesters and shall be counted as first semester, second semester, and so on up to fourth semester.
- d. Each semester shall consist of 12-16 weeks of academic work excluding examination and evaluation.
- e. Each semester is structured to provide credits totaling to 102 credits for the entire MBA programme.
- f. Each semester shall have 'Continuous Internal Evaluation (CIE)' and 'End Semester Examination (ESE)'.
- g. Each student shall secure a total of 102 credits with a CGPA ≥ 5.75 required for the completion of the PG programme and the award of the MBA degree.

8. DURATION OF THE ACADEMIC PROGRAMME

8.1 Minimum Duration of the Programme:

- a. The full time PG Programme shall be of two years / four semester duration.

8.2 Maximum Duration of the Programme:

- a. The maximum duration for the completion of full time PG Programme shall be of three years duration.
- b. The maximum duration for the completion of full time PG Programme shall be of three years duration.

Autonomy Rules and Regulations

c. For those student(s) who failed to complete PG programme in maximum duration have to take separate permission from Principal / Director for extension of two years to complete their desired programme.

The above time limits can be extended in special circumstances at the discretion of the authorities of Institution, subject to approval from Academic Council.

9. ENROLLMENT

The students admitted to the programs offered by the Institution will be enrolled at RTMNU, soon after the admission, if he is not enrolled earlier. The candidature of the student will be provisional till his enrolment is accepted and an enrolment number is assigned by the RTMNU.

9.1 Course Registration:

- a. It is mandatory for all students to register every term till the end of his / her study, for courses that he / she is going to study in the term through a Course Registration process.
- b. The list of courses offered by each programme will be announced immediately after exams are over. Within 8 days of result declaration students will have to register for courses from the list.
- c. Choice for dropping a Registered Course (max 2) once in a term within ten instructional days.
- d. Registering another course (add course) after dropping a Registered Course within two instructional days from the offered list and as per the availability of course.
- e. Choice for dropping complete term for training/project work within norms.

Autonomy Rules and Regulations

10. REGISTRATION

10.1 Faculty Advisor:

A student or a group of students is assigned to a faculty advisor from the concerned department, who will mentor the student from his / her third semester of MBA in the Institution. The students are expected to consult the faculty advisor on any matter relating to their academic performance and the courses they may take in various semesters. The faculty advisor is assigned to extend guidance to the students enabling them to complete their courses of study for the required degree in a smooth and timely manner. The faculty advisor is the person to whom the parents / guardians should contact for performance related issues of their ward. In view of the guidance to the students, the role of faculty advisor is outlined as below:

- a. Guidance about the rules and regulations of the courses of study for a particular degree.
- b. Give special attention to the slow learners.
- c. Liaison with parents for the academic performances and other personal problems of their wards.

10.2 Registration for the First Two Semesters of PG:

The students admitted to the First year of PG course will have to register for the courses as per the advice of faculty advisor. There are no requirements of accumulated credits for registration to first two semesters.

10.3 Registration for third and subsequent semesters of PG:

- a. For registration in third semester of PG, a student must have earned a minimum of 50 % credits of first two semesters.
- b. A student will be allowed to register for the courses only if he / she has cleared all financial dues of the previous year / semester of the Institution and / or Hostel.
- c. A student will not be able to register for the courses if he has been debarred from registration on specific grounds.
- d. The minimum CGPA for award of degree shall be 5.75 and credits earned should be 102 for MBA programme.

Autonomy Rules and Regulations

10.4 Entry of Students from University Pattern to Autonomous Pattern:

A student of this Institution studying under RTMNU pattern can be absorbed into autonomous pattern subject to conditions mentioned below:

- a. A student can be absorbed into autonomous pattern in any semester provided he / she has fully passed all previous semesters in University pattern.
- b. When student switches over from university pattern to autonomous pattern, he / she shall be presumed to have earned credits of all courses offered in previous semesters of that programme in autonomous pattern.
- c. The SGPA of such student shall be calculated for each semester he / she has passed under RTM Nagpur University or equivalent university as per absolute grading system as:

$SGPA = (\% \text{ marks scored at the semester} + 7.5) / 10$ for percentage of marks scored by student up to and equal to 85% OR

$SGPA = 9.25$ for percentage of marks scored above 85%.

If a student has passed a semester in RTM Nagpur University or equivalent program, he shall be presumed to have earned all credits prescribed for equivalent semesters in autonomy.

- d. A student who becomes ineligible for admission to the higher year / semester due to non-accumulation of required credits at the immediately lower semester / year and has thus been forced to discontinue for a year, then he may seek readmission to the said semester / year of the program. In such case of readmission, the courses passed by a student, credits, related grade and grade points obtained by the student from the courses in that semester shall be null and void. A student shall have to earn the credits from all the courses in the said semester / year afresh as per the existing scheme of examination and related syllabi content.

Autonomy Rules and Regulations

11. CURRICULUM STRUCTURE

11.1 Component of Curriculum:

- a. The structure of curriculum for a programme and course syllabi shall be approved by AC on recommendation of respective BoS.
- b. The entire curriculum is spanned over four semesters and has thoughtfully designed contents and evaluation methods. Total credits are 102. The exact number of credits required is mentioned in the curriculum structure for the respective programme. The total number of credits in a semester in which a student shall register is generally 28-30. Normally, the maximum number of credits per semester shall not exceed 30. Normally, the maximum number of credits per semester shall not exceed 30 for a regular student.
- c. Student can earn additional credits through MOOCs thereby he / she is eligible to get exemption for that particular course and direct credit transfer system shall be applicable for that course. In such case student shall inform to the faculty advisor at the beginning of the semester only.
e.g. Suppose student X has earned additional credit in 2nd semester for a course (abc) which is actually part of 3rd semester as per the teaching scheme of his /her programme, in this case X is exempted in 3rd semester from course (abc) and his/her credits are directly transferred for the same course.
- d. Curriculum shall have credit and audit (Non-Credit) courses.
- e. Curriculum will have balanced offerings of various courses such as Professional Core, Professional Electives, Open Electives, Mandatory courses, Proficiency courses, Internship, Project and Institute Level Courses. Normally the electives offered shall have the industry relevance and it shall be offered looking towards the industry demands and orientation. The curriculum offerings include various course types as mentioned in table 11.1.
- f. Normally number of courses in a semester shall not be more than ten for theory and two for laboratory courses.
- g. There shall be specializations / electives courses from semester one. The student shall have to select his / her electives / specialization at the beginning of the programme only (semester one). Specialization-I shall be considered as major and specialization-II shall be considered as minor at the time of award of degree. Learner's have full flexibility to choose his / her area of specialization.

Autonomy Rules and Regulations

- h.** A typical description of the programme curriculum shall consists of course title, course code, teaching hours per week for lecture/ tutorial/practical's, credit allotment, pre-requisites, text books, reference books, Course Objectives and Course Outcomes (CO's) with relevant Blooms taxonomy levels and preferably same for Theory and Practical course wherever applicable., Programme Outcomes (PO's), Programme Specific Outcomes (PSO's), mapping of the COs with POs and PSO's and assessment scheme, etc.
- i.** The details of the programme structure and course details will be published on institute website <https://www.tgpcet.com>

Table 11.1 Curriculum components

11.3 Course Code and Course Numbering Scheme:

- a.** Course Numbers are denoted by **seven** digit unique alpha numeric characters. First three characters represent the programme code. The fourth character represents the Level of Course (LoC), 1 being the level of first year while 2 represents final year. The fifth character represents the Semester of Course (SoC), 1 being the first semester while 4 represents fourth semester. The sixth and seventh character represents a sequential number assigned by the department offering the course. The numeric part of the course number indicates the level of the course.

Autonomy Rules and Regulations

Example: MCA1101 means a course offered by the Master in Computer Application Programme. The LoC is first i.e. of 2021 onwards and it is offered to First Year, SoC is 1 means the course belongs to First Semester and the last two characters (01) represent the first course on the list of department. MCA23-- for third semester.

b. Course Code and Course Numbering Scheme for Audit Courses:

Audit Course Numbers are denoted by **seven** digit unique alpha numeric characters. First three characters represent the programme code. The fourth character represents the Level of Course (LoC), 1 being the level of first year while 2 represents final year. The fifth character represents the Semester of Course (SoC), 1 being the first semester while 4 represents fourth semester. The sixth and seventh character represents a sequential number assigned to that audit course. The numeric part of the course number indicates the level of the course. **The audit course code for PG programme are programme specific.**

Example: MCA12-- means an audit course offered to MCA Programme. The LoC is 1 means the course is offered to First Year, SoC is 2 means the course belongs to Second Semester and the last two characters (01) represent the first course on the list of audit courses for PG level. MCA24-- for 2nd Year.

c. Course Code and Course Numbering Scheme for Open Electives:

Autonomy Rules and Regulations

Open Elective Course Numbers are denoted by **seven** digit unique alpha numeric characters. First three characters represent the host programme code. The fourth and fifth characters are kept as X, X as it is open for all semesters. The sixth and seventh character represents a sequential number assigned by the department offering the open elective courses. The numeric part of the course number indicates the level of the course.

Example: MMBXX-- means open elective course offered by Master of Business Administration programme to other PG programmes. The third and fourth X, X represents that it is an open elective and last two characters (01) represent the course on the list of open elective courses for PG level. MCSXX--, MSEXX--, and MIPXX—for open electives offered by CS, CE, and EE departments respectively to other PG programmes.

12. COURSES AND CREDITS

Every course in the MBA programme of study has a Lecture-Tutorial Practical (L-T-P) component attached to it. Based upon the L-T-P structure, the credits are allotted to a course using the criteria as shown in the Table 12.1

Autonomy Rules and Regulations

Table 12.1 Contact hour and credit structure

Type of Course	Component	Contact Hours/Semester	Credits (C)
Theory	Lecture (L)	10*	1
	Tutorial (T)	10*	1

*The values will be multiplied by 2 for Summer Terms.

12.1 Structure

- MBA programme of study shall be designed to have theory and laboratory courses. In addition, a student shall carry out internship, industry oriented mini-project, project, design sensitization, design thinking and other courses as prescribed in the curriculum of the programmes.
- MBA programme of study shall offer dual specialization. A student shall have to select at least one specialization from compulsory group and he / she shall select one specialization either from optional group or compulsory group.
- Every course offered under a MBA programme shall be placed in one of the course categories with minimum credits as listed in the Table 12.2
- The course group / category along with their broad classification and description are listed in the Table 12.3

Autonomy Rules and Regulations

13. ATTENDANCE

- a.** Regular 100% attendance is expected of all students for every registered course in theory, tutorials, laboratory and workshop. Minimum required attendance for appearing ESE is 75%.
- b.** A maximum of 25% absence in the attendance may be condoned only on valid grounds.
- c.** A student can seek condonation of absence due to death in family or other emergency beyond student's control. However, students seeking condonation should inform the college authorities immediately and should seek sanction of the absence within a week after joining. The student should submit the documentary evidence to the college authority.
- d.** A student seeking sanction of leave on medical grounds should submit the medical certificate from registered medical practitioner on joining. This shall be approved by the Dean Academics (DA).
- e.** The students participating in Sports / Cultural event during a semester shall be eligible for the maximum number of 10 days of absenteeism. Any waiver in this context shall be on the approval of DA. The DA shall inform the concerned HoD in advance with a copy to the Registrar. No cognizance shall be taken after the DA announces the irregularity of the student. This, however, shall be within the limit of condonation of 25% of absence as mentioned in point 13.b.
- f.** The following activities shall be considered for condonation of attendance
- Sports and Games: Inter collegiate, Inter zonal, Inter University, State level, national level or Open tournaments.
 - Camps and expeditions of National Cadet Core.
 - National Social Service camps.
 - Cultural Programs promoted by University, or reputed organizations.
 - Seminar/ Symposia, paper presentation, Quiz competitions.
 - Leadership courses organized by authorized organizations.
 - Training programs
 - Guest Lectures
 - Students Association activities

Autonomy Rules and Regulations

- Projects in industries/ organizations
- Placement activities
- Any other; with the prior approval of the Principal

g. A student having attendance lower than 75% in a course(after completion of all makeup), whatsoever may be the reason is prevented from appearing in the End-Semester Examination (ESE) for that course in that semester and the student will have to re-register for the course as and when it is offered. In such cases the student will be given **“DI”** grade. The continuous assessment of laboratory course shall be null and void in such cases and the student shall have to re-register for the laboratory course as and when it is offered.

h. The attendance shall be computed from the date of commencement of classes as per academic calendar of the Institution.

14. COURSE COMPLETION

A student will have to complete all the requirements for the courses at which he / she is registered. The HoD will report the names of students who failed to complete the stipulated requirements in course(s), if any, to CoE at least 07 days ahead of commencement of ESE. Such student will not be permitted to appear for the ESE for the courses in which he / she has not completed the course requirements. He / She shall, however, be eligible to take the ESE in other courses where he / she have completed the course requirements satisfactorily.

15. DISTRIBUTION OF MARKS AND EVALUATION METHODOLOGY:

The performance of a student in each semester shall be evaluated course wise with a maximum of 100 marks for theory and 50 / 75 / 100 marks for practical courses. In addition, extracurricular, competitive examination, internship, micro project, mini project, industry oriented project, courses shall be evaluated as per examination scheme.

Autonomy Rules and Regulations

15.1 Theory Courses:

- The syllabus for the theory courses shall be divided into FIVE units and each unit carries equal weightage in terms of marks distribution.
- For theory courses, the distribution of marks shall be 40 marks for Continuous Internal Evaluation (CIE) and 60 marks for the End Semester Examination (ESE).

A. Continuous Internal Evaluation (CIE - 40 M):

Continuous Internal Evaluation (CIE) shall consist of Class Test-1 (CT-1), Class Test-2 (CT-2) each of 15 marks and Teachers Assessment (TA) or Class Assessment (CA) for 10 marks.

B. Class Tests:

For theory courses, two class tests shall be conducted in each semester as per the academic calendar. CT-1 and CT-2 are evaluated for 20 marks and 30 marks respectively and both will be converted into 15 marks for CIE. Class Test-1 will be on two units of the syllabus whereas Class Test-2 will be on three units of syllabus. It will not be applicable to design courses where four numbers of units are there. In case of course having four units paper format of Class Test-1 will be followed.

- **Class Test-1 (CT-1 - 20 Marks):**

Question paper pattern for class test-1 (20 Marks) shall be as follows:

PART-A: 2 X 2 M = 4 M

- There shall be one question from each unit of short answer question.
- All questions are compulsory.

PART-B: 2 X 8 M = 16 M

- There shall be one question from each unit with internal choice.
- The student shall answer any two sub questions from each unit out of three.
- There shall be a maximum of two sub divisions in a sub question i.e., (i) and/or (ii).

Sum of two CTs and CA/TA shall be calculated and used as the final internal assessment marks for each course.

Autonomy Rules and Regulations

- **Class Test-2 (CT-2 - 30 Marks):**

Question paper pattern for class test-1 (30 Marks) shall be as follows:

PART-A: 3 X 2 M = 6 M

- a. There shall be one question from each unit of short answer question.
- b. All questions are compulsory.

PART-B: 3 X 8 M = 24 M

- a. There shall be one question from each unit with internal choice.
- b. The student shall answer any two sub questions from each unit out of three.
- c. There could be a maximum of two sub divisions in a sub question i.e., (i) and/or (ii).

C. Teacher Assessment / Class Assessment (TA/CA - 10 Marks):

- a. Two class assessments consisting of any one of the alternative assessment tools (AAT) like online quiz / assignment / objective exam / course project / case study etc. shall be conducted covering the syllabus that is completed at the time of conducting the TA/CA and evaluated for 10 marks each. The first and second TAs/CAs shall be conducted during the instruction days as mentioned in the Academic Calendar.
- b. Best of the two assessments shall be considered for finalizing TA/CA marks for every course.
- c. The valuation and verification of answer scripts of CIE shall be completed within a week after the conduct of the examination.
- d.

D. End Semester Examination (ESE – 60M):

- a. The ESE shall be conducted at the end of semester for a total of 60 marks of 03 hours duration.
- b. The syllabus for the theory courses shall be divided into FIVE units and each unit carries equal weightage in terms of marks distribution.
- c. Question paper pattern for ESE (60 Marks) shall be as follows:

Autonomy Rules and Regulations

PART-A: 5 X 2 M = 10 M

- a. There shall be one question from each unit.
- b. All questions are compulsory.

PART-B: 5 X 10 M = 50 M

- a. There shall be three questions from each unit with internal choice i.e., any two out of three.
- b. The student shall answer two questions from each UNIT.
- c. The student shall have to answer any two questions out of three i.e., (a) and /or (b) and/or (c).

15.2 Practical Courses:

- a. For practical courses, there shall be a continuous internal evaluation (CIE) during the semester for 25 marks and 25 marks for semester end examination (ESE). Out of the 25 marks allocated to CIE, 05 marks shall be for effective handling of hardware tools / software / associated tools, 05 marks for the experiment performance ability, 03 marks for logic and design development / execution, 02 marks for error resolving / program testing, 05 marks for viva-voce and 05 marks for report writing.
- b. Laboratory ESE shall be conducted at the end of semester for a total of 25 marks of 03 hours duration for each batch. Out of the 25 marks allocated to ESE, 05 marks for conduct of experiment / successful execution, 05 marks for written examination which should cover circuit diagram / block diagram / flow chart, data analysis / program / calculations, etc. and 15 marks for external viva-voce.
- c. ESE shall be conducted by two examiners, one internal and other external concerned with the subject area from the same / other department / Industry.

NOTE: Any student who shall remain absent for any of the CIE, for any reason what so ever, shall be deemed to have secured 'zero' marks in the examination and no makeup examination shall be conducted.

Autonomy Rules and Regulations

15.3 Re-Sit Examination:

- a. Re-sit examinations shall be conducted along with regular end semester examinations (ESE).
- b. During ESE of even semester, re-sit examinations of even semester shall be conducted (within one month after declaration of result of even semester) and during ESE of odd semester, re-sit examinations of odd semester shall be conducted (within one month after declaration of result of odd semester).
- c. A student having backlog in regular ESE shall have to attend the remedial classes conducted by the respective programme. The remedial classes shall be of two-three weeks duration in which course coordinator is expected to cover minimum 75% to 100% syllabus followed by one/two mock test(s) to ensure success in the ESE.

15.4 Internship:

- a. A student shall take up 10 credits internship in an industry / research organization / during the summer vacation after second semester (II semester) of the MBA programme.
- b. Internship shall be carried out for **a minimum period of 06 weeks and maximum of 08 weeks**.
- c. Evaluation of the Internship shall be done by a committee consisting of the Head of the Department, faculty supervisor and a senior faculty member of the department.
- d. A student shall submit a detailed report regarding the internship and present it before the committee for evaluation. After successful submission of report, 10 credits will be transferred in the account of third semester. Credit transfer of the same shall be done as per the AICTE internship policy and mentioned in the scheme of examination. Notification regarding the same shall be floated through DA.

15.5 Project:

- a. A student shall undergo for a project, possibly in collaboration with an industry of his / her specialization, during the fourth semester of the MBA programme. A student shall have to

Autonomy Rules and Regulations

select his / her project domain from specialization-I only for considering it as major in his dual specialization.

- b. Project shall be carried out for a minimum period of 12 weeks and maximum of 16 weeks.
- c. Evaluation of the project shall be done by a committee consisting of the Head of the Department, mentor from the relevant industry, faculty supervisor and two senior faculty members of the department.
- d. The project shall be submitted in a report form and presented before a committee, which shall evaluate it for 75 marks.
- e. There shall be CIE for project carrying 75 marks. Three progress seminars each of 10 marks shall be conducted in the respective department. Continuous evaluation shall also cover, two publications based on the work (either in Scopus / WoS indexed or UGC care indexed journals), carries 10 marks each whereas report writing carries 25 marks.

15.6 Massive Open Online Course (MOOC):

- a. Meeting with the global requirements, to inculcate the habit of self-learning and in compliance with the UGC guidelines, MOOC (Massive Open Online Courses) have been introduced in these regulations.
- b. The proposed MOOCs would be additional choices in all the elective group courses subjected to their offering in the department, availability in the MOOC platform during the respective semesters as well as according to the guidelines specified by the DA for offering of such courses at that time.
- c. As per the guidelines issued by the DA regarding equivalency conditions of the MOOC, concerned departments shall declare the BoS approved list of the courses that a student can pursue through MOOCs at the beginning of the semester.
- d. Students interested in pursuing MOOCs shall register the course title at their department office before the start of the semester against the courses that are announced by the department.
- e. Course content for the selected MOOCs shall be drawn from the respective MOOCs link or shall be supplied by the department.

Autonomy Rules and Regulations

- f. Course progress shall be monitored by the course coordinator designated by the HoD.
- g. Assessment & evaluation of the courses shall be done by the respective department designated MOOC Coordinator.
- h. Grade obtained through the evaluation of the selected course pursued through MOOC shall be considered for the SGPA/CGPA calculation.
- i. Equivalent credits* shall be awarded upon successful completion of each MOOC course.

*Detailed guidelines regarding credit transfer of the courses pursued through MOOC shall be issued time to time by the Dean Academics.

15.7 Value Added Courses:

- a. The value-added courses / certificate courses offered through joint ventures with various industries / organizations provide ample scope for the students as well as faculty to keep pace with the latest technologies pertaining to their chosen field of studies.
- b. A plenty of value added programmes approved by the BoS shall be proposed by the departments one week before the commencement of classes.
- c. The students are given the option to choose the course inclinations as per their choice.
- d. Students interested in pursuing value added courses shall register for the courses in the department office at the beginning of the semester against the courses that are announced by the department.
- e. Course progress shall be monitored by the course coordinator designated by the HoD.
- f. Result of value-added courses shall be declared with “Satisfactory” or “Not Satisfactory” performance.
- g. Grade obtained through value added course shall not be considered for the SGPA/CGPA calculation.

Autonomy Rules and Regulations

15.9 Virtual Laboratories:

- a. The Virtual Laboratories are internet enabled experiments for remote operation so as to enhance the curiosity and innovation of students and provide hands-on sessions. The main aim of virtual labs is to enthuse the students about performing ‘experiments’ and thereby getting them interested in their respective disciplines in a meaningful way. It is expected that the competence level of the engineering students will enhance through the use of these labs.
- b. Advanced laboratories / experiments that are not existing in the Institute and are required for supplementing the knowledge gained in specific course(s) may be pursued by the students through the use of Virtual Labs.
- c. Departments offering MBA programmes shall define the list of virtual laboratories that a student can take up during the duration of course of study.
- d. The decision to pursue a virtual laboratory course by a student shall be optional and also in addition to the mandatory requirement of pursuing practical courses as specified in the course structure of the programme.
- e. The virtual laboratories / experiments that a student decides to pursue must be communicated to the DA through HoD.

15.10 Condition for Pass and Award of Credits for a Course:

- a. The student shall have to score minimum sum of 26 marks out of 40 in internal assessments (sum of scoring in CT-1, CT-2 and TA/CA should be minimum 26) to fulfill the criteria of internal assessment.
- b. The student shall have to score minimum 24 marks out of 60 in End Semester Examination (ESE).
- c. In practical courses, the student shall have to score minimum 12 marks out of 25 marks in internal assessment and 13 marks out of 25 marks in external assessment.
- d. In case of project, the student shall have to score 37 marks out of 75 in internal assessment and 38 marks out of 75 in external assessment.

Autonomy Rules and Regulations

15.12 Condition for Promotion to Next Semester:

The student shall meet the requirements given in table 16.1 in order to promote to the next year of study

Table 16.1 Promotion criteria for next year

Sr. No.	Program	Student admitted to	Credit earn semester
1	Master of Business Administration (MBA)	3 rd Semester	50% credits of 1 st Year

15.13 Grade Improvement Scheme/Betterment:

The students who could get the CGPA less than 6.75 (required CGPA for first class as per AICTE norms) will be given chance to improve their CGPA above 6.75 from I semester by appearing in maximum three theory courses in which received grade is less than B⁺. There shall have maximum three chances to improve the grade.

15.14 Award of Degree:

The Degrees shall be awarded by the Rashtasant Tukadoji Maharaj Nagpur University, Nagpur along with the name of College. The degree awarded to the PG students shall be on the basis of CGPA achieved at the end of the fourth semester.

16. PERFORMANCE AND GRADING SYSTEM:

- Performances of students in each of the courses in the programme are expressed in terms of Letter Grades based on an absolute grading system. The 10-point grading system with letter grades and their grade points are shown in the Table 16.1.

Autonomy Rules and Regulations

Table 16.1 Grade and Grade Points

≥ 5.75 and < 6.75	Second Class
< 5.75	Fail

Autonomy Rules and Regulations

- b. For mandatory and audit courses (non-credit), student shall be awarded ‘Satisfactory’ or ‘Not satisfactory’ without any credit. This shall not be counted for the computation of SGPA/CGPA.

16.1 COMPUTATION OF SGPA AND CGPA:

a. Calculation of Semester Grade Point Average (SGPA):

The performance of each student at the end of each semester shall be indicated in terms of SGPA. The SGPA shall be calculated as below:

$$\text{SGPA} = \frac{\text{Total earned weighted grade points in a semester}}{\text{Total credits in a semester}}$$

$$\text{SGPA} = \frac{\sum_{i=1}^P C_i * G_i}{\sum_{i=1}^P C_i}$$

where,

C_i = Number of credits allotted to a particular course ‘i’

G_i = Grade point corresponding to the letter grade awarded to the course ‘i’

$i = 1, 2, \dots, p$ represent the number of courses in a particular semester

NOTE: SGPA is calculated and awarded to those students who pass all the courses in a semester.

b. Calculation of Cumulative Grade Point Average (CGPA):

Assessment of the overall performance of a student shall be obtained by calculating cumulative grade point average (CGPA), which is weighted average of the grade points obtained in all courses during the course of study. The CGPA of a student for the entire programme shall be calculated as given below:

$$\text{CGPA} = \frac{\text{Total earned weighted grade points for the entire programme}}{\text{Total credits for the entire programme}}$$

Autonomy Rules and Regulations

$$CGPA = \frac{\sum_{j=1}^m C_j * G_j}{\sum_{j=1}^m C_j}$$

$$\sum_{j=1}^m C_j$$

Where,

C_j = number of credits allotted to a particular course 'j'

G_j = grade point corresponding to the letter grade awarded to that course 'j'

$j = 1, 2, \dots, m$ represent the number of courses of the entire programme.

Grade lower than C in any course shall not be considered for CGPA calculation. The CGPA shall be awarded only when the student acquires the required number of credits prescribed for the programme

c. Grade Card:

The grade card issued shall contain the following:

- (i) The credits for each course offered in that semester
- (ii) The letter grade and grade point awarded in each course
- (iii) The SGPA/CGPA
- (iv) Total number of credits earned by the student up to the end of that semester.
- (v) Grade card shall include various activities done by the students to show his holistic development during particular semester.
- (vi) Parameters to be included in grade card shall be finalized by CoE with the approval of AC / GB.

16.2 Illustration of Computation of SGPA and CGPA:

a. Illustration of calculation of SGPA:

Course Name	Course Credit (C)	Letter Grade	Grade Point (GP)	Credit Point (CP = C x GP)
Course 1	3	A	8	3 x 8 = 24
Course 2	4	B+	7	4 x 7 = 28
Course 3	3	B	6	3 x 6 = 18

**Autonomy Rules and Regulations**

Course 4	3	O	10	$3 \times 10 = 30$
Course 5	3	C	5	$3 \times 5 = 15$
Course 6	4	B	6	$4 \times 6 = 24$
TOTAL CREDITS	20	TOTAL CREDIT POINTS		139

Thus, SGPA = $139 / 20 = 6.95$

b. Illustration of calculation of CGPA up to II semester:

Semester	Course Name	Course Credit (C)	Letter Grade	Grade Point (GP)	Credit Point (CP = C x GP)
I	Course 1	4	A	8	32
I	Course 2	3	O	10	30
I	Course 3	3	B	6	18
I	Course 4	3	C	5	15
I	Course 5	1	A+	9	9
I	Course 6	1	B+	7	7
I	Course 7	3	O	10	30
I	Course 8	1	C	5	5
I	Course 9	1	A	8	8
II	Course 10	3	A	8	24
II	Course 11	3	A+	9	27
II	Course 12	3	B	6	18
II	Course 13	3	A	8	24
II	Course 14	3	A+	9	27
II	Course 15	1	A	8	8
II	Course 16	1	A	8	8
II	Course 17	2	B	6	12

Autonomy Rules and Regulations

II	Course 18	1	A+	9	9
TOTAL CREDITS		40	TOTAL CREDIT POINTS		311

Thus, CGPA = $311 / 40 = 7.78$

The above illustrated process of calculation of CGPA shall be followed for each subsequent semester until fourth semester. The CGPA obtained at the end of fourth semester i.e., (II year II semester) shall be the final CGPA secured by the student for the entire MBA programme.

16.3 Scrutiny of Grade:

A student may apply for scrutiny of grades to the Controller of Examinations on payment of prescribed fees, within three days from the date of display of grades / result. The RRMC may check the entry of the weightages from different components of evaluation and their addition, the addition of marks in the final answer scripts and unchecked questions, if any. The results of scrutiny may lead to either a change in grade due to mistake(s) in any of the aspects scrutinized by the committee or the grade may remain unchanged. The results will be intimated to the Academic section within three days from the date of receipt of an application.

The fee paid by the student will be refunded if the grades are revised to the higher grades.

16.4 The result of examination will be declared on institutional notice board and website. The gazette of result will be sent to RTMNU.

17. TRANSPARENCY IN EXAMINATION

The institution believes in full transparency in the evaluation process and committed to just and fair evaluation of all students.

- The answer books of all written examinations will be shown to students after the valuation has been done within seven days from the date of examination.
- The student shall sign the cover page of answer book and return it to the teacher.

Autonomy Rules and Regulations

- c. If the student is unsatisfied with the valuation, he / she can discuss the specific points with the course faculty where he / she think the valuation needs reconsideration. The matter will be placed before the departmental committee. The committee's decision shall be final and binding on all the concerned.
- d. If his grievances remain unsolved, the student can approach the Grievances Redresser Committee.
- e. If the student has the grievances regarding the valuation of the ESE or the grade allotment, he/she shall submit the application to CoE. In such cases, the complete revaluation of answer book shall be done and the change in the marks will be incorporated only if the change is ± 3 marks or more.
- f. The students shall submit the grievances within the dates given in Academic Calendar.
- g. The answer books once evaluated shall never be given into student's possession.
- h. The marks of practical/non-theory courses of all programs shall be displayed on the notice board within two working days after completion of the examination of a particular course.

18. RE-SIT EXAMINATION

The students, who have secured the "F" grade in a course, shall apply for the re-sit examination within seven days from the declaration of result, by paying the prescribed examination fees. The re-sit examination for students shall be held within 30 days from the date of declaration of result of ESE of a particular semester.

A student shall be permitted to take the ESE as well as re-sit of ESE of his / her regular term. In case, student fails in both the ESE and its re-sit examination of regular term, in the subsequent semester, he / she shall be permitted to appear in summer term.

19. SUMMER TERM

19.1 The Institution may offer an additional Term in May-June termed as Summer Term. Courses offered in the Summer Term will be treated as equivalent to a regular semester (odd / even) for all assessment purposes.

Autonomy Rules and Regulations

19.2 Summer Term is to provide opportunity to students to clear their backlogs and also courses dropped or the courses which he / she could not register for some reason. The Institution may use this semester to arrange add-on courses for regular students and/or for deputing them for practical training.

19.3 Those students who are willing to join the Summer Term will submit the “Willingness to join” in the prescribed format 15 days before the commencement of the Summer Term.

19.4 The students who were detained for the poor attendance can opt for the Summer Term.

19.5 Those students who have secured the “F” grade in ESE examinations but will like to learn the course once again and/or wish to revise their marks of continuous internal evaluation can also be permitted to register for the Summer Term.

19.6 The students who have earlier taken an ESE and register afresh for the Summer Term will sign an undertaking to revoke the CIE marks secured by them in their regular/ earlier attempt in the same course. Once revoked, the students shall not seek restoration of the CIE marks.

19.7 Students will not be permitted to register for courses exceeding **twelve credits** in the Summer Term.

19.8 Summer Term will be at an accelerated pace and will be at double the rate of normal semester e.g. one credit of course shall require two hours/week so that the total contact hours are maintained same as in normal semester.

19.9 Student shall register for the Summer Term as per the schedule given in academic calendar.

19.10 A student will have to pay an additional fee, if any, prescribed by the Institution within the stipulated time.

19.11 Once registered, students will not be allowed to withdraw from a summer term.

19.12 Summer Term is a special semester and students cannot demand it as a matter of right.

19.13 It is optional for a student to make use of summer semester.

20. CLASS / DIVISION

20.1 The academic performance of the student for the complete duration of program shall be classified as follows:

First Class with distinction: CGPA 8.25 and above,

Autonomy Rules and Regulations

First Class: CGPA 6.75 and above, but less than 8.25, and

Second Class: CGPA less than 6.75

20.2 If a student needs to convert the performance index CGPA into equivalent percentage of marks, the following formula shall be used.

Percent marks = (CGPA-0.75)*10

20.3 For award for class/division, a condonation of up to 0.05 grade points will be admissible.

- i. Students having CGPA 6.70 to less than 6.75 shall be presumed to have secured First Division
- ii. Students having CGPA 8.20 to less than 8.25 shall be presumed to have secured Distinction Division

If the class/ division is awarded by above regulation, then their Grade Sheet for the Final Semester of the Program shall carry a remark “Division by Condonation” and their original academic record including CGPA will remain unchanged.

21. AWARD OF RANK

21.1 Merit ranks will be declared only for those students who have:

- a. been directly admitted to a course in the Institution under autonomous regulations, and
