### Dear Sir/Madam,

It gives us immense pleasure to announce that the IQAC of the **TGPCET** is organizing NAAC Sponsored Two Days National Level Workshop on “Role of IQAC in Quality Enhancement and Sustainability” on 14<sup>th</sup> - 15<sup>th</sup> Oct, 2022. We cordially invite Management members, Principals, IQAC Coordinator, and faculty members from all the institutions/colleges to participate in the workshop.

### Dr. Anil V. Kale

Principal

### About Workshop

In this era of digitalization, NAAC has proposed and executed online submission of AQAR and SSR. The system of submission of AQAR and SSR are user- friendly even though some problems are faced during submission of the same. How to resolve these problems for HEIs is one of the themes of the Workshop. Workshop will describe the role of IQAC in various Quality Initiatives in affiliated colleges.

### About IQAC Cell

Internal Quality Assurance Cell (IQAC) was established on 27th October, 2014. Since quality enhancement is a continuous process, the IQAC should be a part of the institution's system and work towards realizing the goals of quality enhancement and susance. The IQAC has to make a significant and meaningful contribution in the post-accreditation phase through channelizing the efforts and measures of an institution towards academic excellence.

### About Mechanical Engineering Department

Department of Mechanical Engineering was established in 2011 and a B.E. degree course Mechanical Engineering started with an intake of 60 and further it increases to 120 with the objective of imparting quality education in the field of Mechanical Engineering. The focus of the department is towards research and training activity based on advanced manufacturing processes and production, in the field of mechanical designing software, computational fluid dynamics, etc.

### Outcomes

**Participants will be able to**

- Understand the goal of IQAC and enable participants to improve IQAC in their Institute.
- Build Awareness about NAAC Accreditation and its benefits to Higher Education Institute
- Identify best practices that will help in enhancing quality standard of HEIs, which could be disseminated through discussions.
- Understand the Innovation in Teaching –Learning for quality Enhancement.
