ABOUT TGPCET

GPG Management envisioned TGPCET as an extraordinary institution, uniquely blending technology and management disciplines. The core aim was to fuse technical expertise with innovative managerial approaches, with the ultimate goal of nurturing students capable of catalyzing positive transformations in constructing a sustainable and comprehensive society. The underlying concept was to redefine education beyond a mere tool for knowledge acquisition, emphasizing its crucial role in shaping a more compassionate and improved society.

This founding principle continues to be integral to the ethos of TGPCET, and every addition to the curriculum, technological advancement, or research initiative is consistently harmonized with this overarching philosophy.

VISION & MISSION

Vision

To emerge as a learning Center of Excellence in the National Ethos in domains of Science, Technology and Management.

Mission

- » To strive for rearing standard and stature of the students by practicing high standards of professional ethics, transparency and accountability.
- » To provide facilities and services to meet the challenges of Industry and Society.
- » To facilitate socially responsive research, innovation and entrepreneurship.
- » To ascertain holistic development of the students and staff members by inculcating knowledge and profession as work practices

OUR INSPIRATION

Late **Shri. Tulsiramji Gaikwad-Patil**
(1st April 1915 - 18th July 1986)

The Gaikwad-Patil Group derives its inspiration from Late Shri. Tulsiramji Gaikwad-Patil, the grandfather of the Chairman of the Group, Dr. Mohan Gaikwad-Patil. A man far ahead of his times, Shri. Tulsiramji Gaikwad-Patil was primarily an agriculturist, but also a true connoisseur with many varied interests. One of his passions was education. This visionary bucked the trend of sending sons into agriculture and ensured excellent education for his children and grandchildren. It was his foresight that took the family from being rural landlords to urban, uber-class professionals and entrepreneurs. It would not be far wrong to say that the real foundation of the Gaikwad-Patil Group was laid by Shri. Tulsiramji Gaikwad-Patil ability to look into the future.

Dear Recruiters,

On behalf of Tulsiramji Gaikwad-Patil College of Engineering and Technology (TGPCT), Nagpur, I extend a warm welcome. We are proud to present our talented students, eager to contribute to your esteemed organization.

Having successfully placed 15 batches, including the Class of 2025 with over 80 corporations, TGPCT focuses on producing job-ready talent. Our students undergo mandatory summer training, pursue specialized electives, industry certifications, and engage in international competitions to ensure technical excellence and a global mindset.

We are confident that our final-year B.Tech, MCA, and MBA students will uphold the legacy of our alumni. We value our recruitment partners and look forward to fostering lasting, mutually beneficial relationships.

I look forward to a fruitful and mutually beneficial relationship with your esteemed organization.

HR CONCLAVE

The HR Conclave is a comprehensive and meticulously organized event held regularly at our institute, designed to bridge the gap between academia and industry. This dynamic platform brings together professionals from industries to discuss and share valuable insights on the prevailing themes in human resource management. It serves as an invaluable opportunity for students and professionals alike to engage in enriching dialogues, gain diverse perspectives, and stay abreast of the latest trends and innovations shaping the future of work. The conclave not only fosters knowledge sharing but also cultivates networking and collaboration, enhancing the professional growth of all participants. Through interactive sessions, panel discussions, and keynote speeches, the HR Conclave empowers attendees with the skills and knowledge needed to navigate and excel in the ever-evolving landscape of human resources.

PRAYAS - MEGA JOB FAIR

The PRAYAS Mega Pool Campus Placement Drive, an annual hallmark event organized by the GPGL Group, offers invaluable placement opportunities to students. This initiative, held in collaboration with renowned companies, provides a platform for students from various programs—ITI, Diploma, B. Tech, M. Tech, MBA, and MCA—to connect with potential employers. By participating in PRAYAS, students gain robust industry exposure, showcase their skills, and secure positions in prestigious organizations. This event not only enhances students' career prospects but also provides critical insights into industry best practices, laying a strong foundation for their future professional contributions.
