AICTE EduSkills tie up with Institute

AICTE EduSkills is a Non-profit organization which enables Industry 4.0 ready digital workforce in India. Its vision is to fill the gap between Academia and Industry by ensuring world class curriculum access to our faculties and students.

Institute has established a collaborative partnership with **AICTE EduSkills**, an initiative aimed at enhancing technical education and fostering industry-relevant skills among students and faculty members.

Objectives of the Partnership:

1. **Skill Development:** Providing students and faculty access to cutting-edge online learning platforms, certifications, and industry-oriented programs in emerging technologies.

2. **Industry-Academia Bridge:** Facilitating a seamless interaction between academia and industry to prepare students for real-world challenges.

3. **Training Programs:** Offering hands-on training, workshops, and webinars on technologies like Artificial Intelligence, Cloud Computing, Internet of Things (IoT), and Cybersecurity.

4. **Global Certifications:** Empowering students and faculty to earn globally recognized certifications from platforms like Cisco Networking Academy, AWS Academy, and VMware IT Academy.

5. **Faculty Enablement:** Equipping faculty members with the latest teaching tools, methodologies, and content to enhance the learning experience.

This collaboration aligns perfectly with Institute's vision of providing quality technical education and fostering leadership in technology-driven domains. It serves as a significant step towards bridging the skill gap and preparing students for the dynamic demands of the global workforce.

AICTE EduSkills Internship Programs

Under this partnership, TGPCET students have participated in multiple cohorts of the AICTE EduSkills Virtual Internship Program. These internships focus on emerging technologies and have shown remarkable participation and completion rates:

Cohort Details

- **Cohort-7** (Dec 2023 - Mar 2024):

    o Total Participants: 1,561

    o Domains Covered: AI/ML, Cloud Computing, Cybersecurity, Data Analytics, Embedded Systems, etc.

    o Highlights: High completion rate with all registered students successfully completing their internships.

- **Cohort-8** (Apr 2024 - Jun 2024):

    o Total Participants: 518

    o Domains: Structural Analysis, Water Resource Management, Business Analytics, Android Development, and more.

    o Completion: 100% successful completion of internships.

- **Cohort-9** (Jul 2024 - Oct 2024):

    o Total Participants: 337

    o Status: 60 students completed, 4 in progress, and the remainder pending.
