

## **Vision of Institute**

“To emerge as a learning Center of Excellence in the National Ethos in domains of Science, Technology and Management”

## **Mission of Institute**

[M1] To strive for rearing standard and stature of the students by practicing high standards of Professional ethics, transparency and accountability

[M2] To provide facilities and services to meet the challenges of Industry and Society

[M3] To facilitate socially responsive research, innovation and entrepreneurship

[M4] To ascertain holistic development of student and staff members by inculcating knowledge and profession as work practices

## **Vision of the Department**

To impart state of art education for enabling youth to offer solution for the challenges faced in the field of Electronics & Communication Engineering.

## **Mission of the Department**

- To stimulate and develop the students through quality education to face the challenges.
- To empower youth for developing them as a leader through lifelong learning.
- To infuse scientific temper towards research activities.
- To provide a framework for promoting training in collaboration with industry institute interaction.
- To foster a broad spectrum of knowledge in order to prepare them for ethical and social concern.

## **Program Education Objectives (PEO)**

- Students will apply basic fundamentals in mathematics, physics and electronic engineering discipline to build sound foundations.
- Students will design, analyze and solve engineering problems to develop them as the professional leaders in the field of Electronics & communication Engineering.
- Students will get exposure by providing technical training to execute the multidisciplinary projects as a team.
- Students will channelize their knowledge through lifelong learning to assist in the development of the society.
- Students will acquire work ethics and concern for society.
