## **Department Vision & Mission**

**Vision:** To emerge as a Learning Hub and Centre of Excellence in the domain of Electrical Engineering.

**Mission:**

- To disseminate knowledge replete with quality education in the field of Electrical Engineering in meticulous and methodical manner.
- To provide platform to address societal issues as well as challenges faced by industries.
- To develop research culture and inculcate innovative and entrepreneurial skills.
- To ensure overall development of students and staff by instilling knowledge and professional ethics as a part of lifelong learning.

## **Program Educational Objectives (PEOs)**

- Demonstrate and analyze the fundamental knowledge with respect to the various domains of Electrical Engineering.
- Investigate and apply modern tools to develop innovativeness in different applications of Electrical Engineering domain.
- Integrate new emerging trends and concepts in Electrical Engineering profession for sustainable development.
- Develop professionals having managerial and administrative Qualities for Electrical Engineering related industries
- Promote lifelong learning, to prepare for the next challenges in the field of Electrical Engineering

## **Program Outcomes(POs)**

1. Engineering Knowledge
2. Problem Analysis
3. Design/development of solutions
4. Conduct investigations of complex problems
5. Modern tool usage
6. The engineer and society
7. Environment and sustainability
8. Ethics
9. Individual and teamwork
10. Communication
11. Project management and finance
12. Lifelong learning

## Reinstallation of Students Forum “Phoenix”

**Date of Program** : 15/7/2025

**Program Time** : 11:00 am to 4:00pm

**Total Students at Event** : Students of EE Department 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> year

**Chief Guest of the Program** : Dr. B.S.Umre, Professor and Head Electrical Engineering Department VNIT, Nagpur

**Coordinators of Program** : Mr. Praful Ghadge, Asst. Professor, Dept. of EE

### Schedule of program:

Sr. No	Activity	Time
1	Lightening of lamp-By the Guest Speaker & Dignitaries	11.00am-11.05 am
2	Soulful Prayer	11.05 – 11.10 am
3	Welcome of Chief Guest	11.15am -11.20 am
4	Introductory Remark–By Prof.Ganesh Wakte, HOD(EE)	11.20am -11.30 am
5	Addressing of Gathering–By Principal/Vice Principal	11.30 am-11.40 am
6	Addressing of Gathering–By the Guest Speaker	11.40am – 11.50 am
7	Felicitation of office Bearers	11.50am – 12.00 Noon
8	Speech by Forum President	12.00Noon -12.05 Pm
9	Felicitation of Toppers of S-2025Endsem Examination	12.05 – 12.15 Pm
10	Expert Lecture by Guest Speaker	12.15 Pm -1.30Pm
11	Felicitation of Chief Guest	1.30 pm – 1.35 pm
12	Vote of Thanks–By Forum In charge	1.35 pm – 1.40 pm
13	Refreshment Break	1.40 pm – 2.00 pm
14	Reel Making and Content Creation Competition	2.00 Pm-3.30 Pm
15	Prize Distribution to Winners	3.30 pm – 4.00 pm
16	End of Program	4.00 pm

**Aim of Program:**

To organize “Forum Re-installation (PHOENIX)” Program and Reel Making and content creation competition in Electrical Engineering Department

**Objectives of Program:**

- To organize curricular and co-curricular activities for developing creativity and imagination skills of the students.
- To conduct hands on training program for the students for developing their practical, fault detection and correction skills.
- To organize inter department competition in the field poster presentation, project exhibition, best from waste, micro-project, etc
- To explore the content creation using Reel Making competition

**Introduction of Program**

Department of Electrical Engineering of Tulsiramji Gaikwad Patil College of Engineering and Technology, Nagpur (TGPCET) have organized Forum Reinstallation-Phoenix and Reel Making and Content creation Competition on 15th July 2025 at JRD TATA Hall.

The forum installation program is to be conducted to felicitate the office bearers with badges and to initiate all the activities to increase the creativity and imagination skills of the students, thereby helping them in developing students, thereby helping them in developing innovative ideas.

### About the Program:

The Electrical Department has successfully reinstalled Phoenix Forum for the academic session 2025-26. The program has started with the inaugural function & welcoming of the Chief Guest. Head of the department Prof. Ganesh Wakte gave an opening remark where he elaborated the need & importance of students FORUM in the department.

The chief guest of the function **Dr. B.S.Umre, Professor and Head of Electrical Engineering Department VNIT, Nagpur**, has shared his valuable & motivational speech for the betterment of the student's life and motivated the students that how student's association and all available resources of modern era can be a platform for budding engineers to develop their professional skills required to offer technological solutions to real world problems. Dr. Prashant Thakre, Controller of Examination given his inspirational words for students to organize various technical activities under the banner of student's forum

Under forum installation **Guest lecture of Chief Guest Dr. B.S. Umre** is arranged on **“Three Phase Induction Motor, Alternator”** for Engineering students. In first session sir guided the students regarding working and applications of Induction Motor, and in second Session sir guided the students regarding working principle of alternator.

The programme is further continued by providing badges to the committee members of forum nominated by the hands of Dr. B.S. Umre, HOD EE Department Dr. Prashant Thakare, Dr. Pratik Ghutke, Dr. Bharati Sayankar, Prof. Ashwini Admane, Prof. Praful Ghadge and felicitation of toppers of Summer -2025 End semester examination with token of appreciation and certificates. The Reels of Participations was played and the winner of reel making competition were felicitated with Prizes for the First 3 positions & consolation prizes were also given to participants. The program was coordinated by forum in charge Prof. Praful Ghadge and anchored by Prof. Akanksha Sontakke and well supported by all stall members of the department.

## Forum Nomination and Election Process:

Based on percentage of Election against the various post of forum which was conducted in online mode following students have elected as forum core members.

1. Forum Nomination Link : <https://forms.gle/jtC1LXb3Pn6wvsRR9>

### **Mapping with Pos :**

- 1) PO1: Engineering Knowledge
- 2) PO2: Problem analysis
- 3) PO6 : The engineer and society
- 4) PO8 : Ethics
- 5) PO9 : Individual and team work:
- 6) PO10 : Communication
- 7) PO12 : Lifelong learning

### **Mapping with PSOs :**

PSO1: Formulate the solutions to Electrical and Electronics Engineering problems using the basic concepts

PSO3: Apply project-based learning to conduct experiments with Electrical Machines, Power Electronics to develop energy efficient systems.

### **Outcomes of FORUM:**

Outcome of this lecture is as given below

1. Facilitating interaction among all the students of the department.
2. Students were known to opens opportunities for Collaborations & Internships
3. Motivating students to think from research perspective and develop a particle approach towards studies.

**Conclusion:**

Discussion forum is great tool to help both teachers and students maintain their communication beyond the classrooms. It's also a great way for students to feel more engaged in participating the group discussion, allow them to provide and share their opinions with others at any time and location

**Acknowledgement:**

There are 130 Students were present for Forum Re-installation, where students are felicities for their Top positions in exam, Elected President, wise President, Treasurer were felicities by badges providing to them .
