
	Tulsiramji Gaikwad-Patil College of Engineering and Technology Wardha Road, Nagpur-441 108 NAAC Accredited with A+ Grade (An Autonomous Institute Affiliated to RTM Nagpur University, Nagpur)	
Program: M.Tech. Structural Engineering		
Semester I		

Structural Design of Environmental and Hydraulic Structures(PE-I)

	Course Outcomes	PO/PSO	CL	Class Sessions
MSE21106.1	Apply the design concept of tanks	PO1, PO2	3	9
MSE21106.2	Evaluate the methods for design of underground tank	PO1, PO2, PO3	5	9
MSE21106.3	Examine the effects of jack well pump	PO1, PO2, PO3	4	9
MSE21106.4	Defend the units of aerators	PO1, PO2, PO3	5	9
MSE21106.5	Modify the design consideration including traffic loads and backfill loads	PO1, PO2, PO3,	6	9
